

Roadtrip directions

Prepare for trip to Kansas, Lawrence campus confusing

By BOB CHANEY
Jayhawks can fly, but most Aggies will be driving to Lawrence, Kansas this weekend. Be prepared as it is a rather extended but not altogether impossible trek.

To get there the best thing to do is get on Highway 6 and go to Waco. Once you've gotten that far the rest of the trip is easy. Just get on I-35 to Topeka, Kansas. From Topeka it's only 25 miles on I-70 to Lawrence, Kansas.

Once there, you'll find that most of the motels are the same — so-so. The best two choices for conven-

ience are the Holiday Inn at 23rd and Iowa Streets and the Travelodge-Lawrence at 801 Iowa Street. One other so-so place to stay is the Ramada Inn at 2222 W. 6th — that's at the intersection of I-70, Highways 59 and 40 and the Kansas Turnpike.

Most of the action takes place in Topeka and Kansas City — 25 and 40 miles down I-70 to the west and east respectively.

The University of Kansas campus is located on the mountain to the west of Highway 59 — that's Mt. Oread in case you're interested.

Batt sports

Texas starting scrubs at tight end for Wash.

(AP) — Injuries at the tight end position continued to plague Texas Wednesday as the Longhorns worked out in preparation for Saturday's home game with Washington.

Sophomore Joe Samford, who had inherited the starting role after veteran Tommy Ingram suffered a broken hand two weeks ago, missed the workout with a pulled hamstring muscle and Coach Darrell Royal said Samford was very doubtful for Saturday's game.

Parker Alford, UT's 1973 starter, was killed in a summer auto acci-

dent. Freshman Rick Ingram of Austin West Lake and David Stoddard of Pearsall worked at the tight end position Wednesday.

"That means we are actually going with fourth and fifth teamers at that position," said Royal.

Ingram went through the workout with a cast on his hand, but is not expected to return to action this week.

Volleyballers to play first game tonight

The varsity men's volleyball team will face their first challenge of the '73-'74 year as they play the Iranian students. The game will be played in DeWare Field House at 7:30 tonight.

The team is nationally recognized by the US National Volleyball Association. This year the Southwest was formally set into a 10-team league with A&M as one of the dominate powers.

"We're still holding try-outs," said Dan Bibeau, organizer. "Anyone who's interested, be they staff, student, faculty, are welcomed to give it a try any Monday through Friday in De Ware at 7:30 p.m."

For further information call Bibeau at the Health and Physical Education Office, room 118.

Tryouts for fem water polo begin

Girls who like rough and ready action for themselves are welcomed to join the interscholastic women's water polo team.

The only requirements for the team are an ability to swim and the dedication to work hard and learn this fast-paced, action-packed sport.

Tryouts are still going on every afternoon from 3:30 p.m. to 5:30 p.m. at the swimming pool complex. Mike McLellan, a four year member of the varsity men's team and the 1972 National Junior Men's water polo team is coach.

For further information call Barbara German or Georgiana Collins.
