**OFFICIAL NOTICE**

Official notices must arrive in the Office of Student Publications before deadline of 1 p.m. of the day preceding publication.

**TEXAS A&M UNIVERSITY  
OFFICE OF THE DEAN OF  
ADMISSIONS AND RECORDS**

To be eligible to purchase the Texas A&M ring, an undergraduate student must have at least one year in residence and credit for at least ninety-two (92) semester hours. A year in residence may consist of the fall and spring semester or one of the above and a full summer session (the first and second terms). The hours passed at the preliminary grade report period on October 21, 1974 may be used in satisfying this ninety-two hour requirement. Students qualifying under this regulation should leave their names with the ring clerk, room seven, Richard Coke building. This should be done prior to October 21st in order for all records to be checked to determine ring eligibility. Students already having ninety-two (92) completed hours on record may order at any time. Graduate students are eligible to order with proof (receipt) that they have filed for graduation. Orders for mid-semester will be taken by the ring clerk starting October 24, 1974, and will continue through December 6, 1974. All rings must be paid for in full when the order is placed. Students will save time if they will bring grade reports along when ready to order. Students who fail to leave their names in advance will be asked to return later to allow time for records to be checked. The rings are due to arrive at the Registrar's Office on January 25, 1975. All rings ordered, regardless of whether on October 24, 1974 or December 6, 1974, will arrive at the same time. The ring clerk is on duty from 8 a.m. to 12 noon and 1 p.m. to 5 p.m., of each week, Monday through Friday. However, in order for records to be checked, orders must be placed prior to 4 p.m. during this ordering period. We hope this information will be helpful and extend our congratulations. Edwin H. Cooper, Dean Admissions and Records Carolyn Wells, Ring Clerk
