Vengeful Aggies beat Tyler

By TONY CALLUCCI
Staff Sports Writer

With a 17 point performance from Kim Wyatt, the Aggies outlasted Tyler Junior College 74-70 for their seventh win against one loss.

The difference was at the free throw line where the Aggies held a 16-8 margin. Tyler hit 31 from the

field to A&M's 29. Tyler also blasted the Ags on the boards 49-35.

The Ags led 47-39 at the half and boosted that margin to eleven points just minutes into the second half. Tyler made a run for it and closed the gap to one at 63-62. The score remained close the rest of the game.

In the final minute Mike Williams held the ball and the Ags stalled for a last shot. He drove the baseline and scored to put the game out of reach, 74-68 with 12 seconds left.

Williams and Bruce Ott added 13 each for the Ags followed by Dale Donaldson with 12. Steve Chambers had eight.

Leading scorer for Tyler was Vernon Freeman with 19. Ott led rebounding for A&M with 9. Freeman led all rebounders with 16.

The Aggies lost their first game of the season, Monday in Tyler to the same Tyler Junior College, 77-76. Donaldson was high scorer for A&M with 22 points.

The Ags play Hill Junior College in Hillsboro at 7:00 pm on Dec. 12 then travel to Brenham for a 7:00

matchup with Blinn JC on Dec. 14 to wrapup their season.

A's Catfish Hunter paces pitcher stats

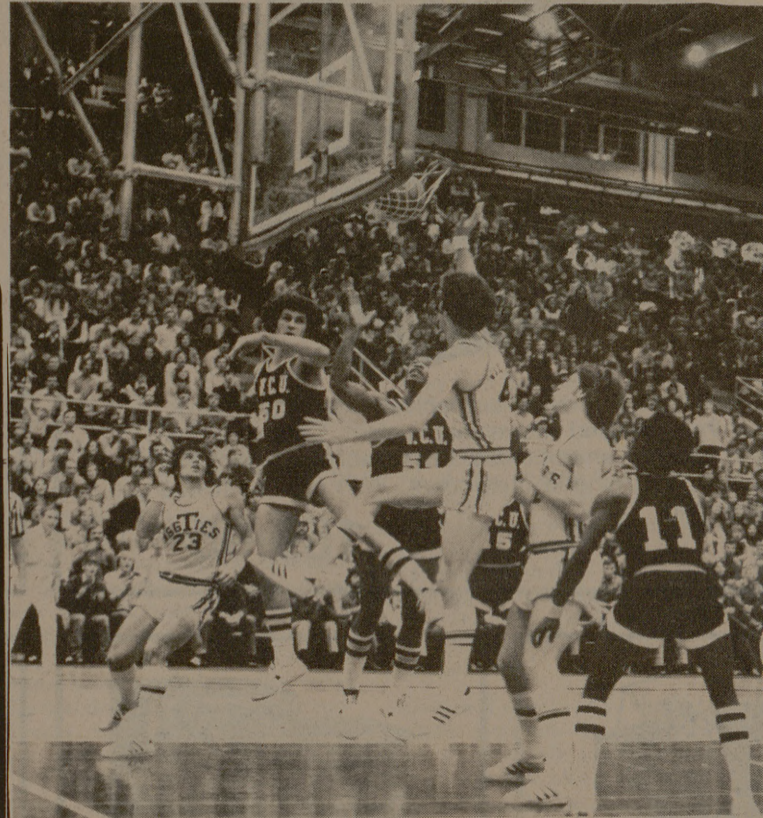

NEW YORK (AP) — Oakland's Catfish Hunter, winner of the Cy Young Award as the American League's premier pitcher, paced the hurling statistics released by the league Tuesday.

Hunter tied Texas right-hander Ferguson Jenkins as the league's big winner with 25 victories and was the named run average leader with a 2.49 mark. Jenkins led the league in complete games with 29.

Other 20-game winners were California's Nolan Ryan, Steve

Busby of Kansas City, Luis Tiant of Boston, Mike Cuellar of Baltimore, Chicago's Jim Kaat, Gaylord Perry of Cleveland, and Chicago's Wilbur Wood.

Ryan produced the third no-hitter of his career and had 367 strikeouts, becoming the first pitcher in major league history to strike out 300 or more batters three years in a row. The Angel's fastball specialist also led the league with 332.2 innings.

Texas inks players, but lose one to Ags

AUSTIN, Tex. (AP) — University of Texas coaches signed three junior college football players today but the Texas Aggies got the big defensive tackle the Texas coaches had hoped would replace All-American Doug English.

The Longhorns got letters of intent from:

-Alfred Lee, 5 feet 10, 170 pounds, defensive back at Tyler Junior College.

-Ernest Lee, 6-4, 245, defensive tackle and tight end, Tyler Junior College.

-Victor Moore, 6-4, 245, linebacker, Kilgore Junior College.

-Defensive tackle Charley Johnson, 6-3 and 274, also from Tyler Junior College, had been expected to sign with Texas but switched to Texas A&M.

In addition to English, Texas loses Fred Curran, injured earlier this year, freshman Brad Shearer and senior David McLeon are the only experienced defensive tackles returning.

Assistant coach Bill Ellington said Texas also expected to sign Jerry Anderson, 6-1, 190, a defensive back at Northeast Oklahoma A&M. Ellington called Anderson "very, very outstanding."

Alfred Lee and Anderson are expected to provide immediate help because Texas loses Terry Melan-

con and Sammy Mason from the secondary.

Moore is expected to give Texas its traditional big linebacker. Wade Johnson and Sherman Lee, both 6-1 and 225, are seniors.

Because of the new 30-scholarship limit, major colleges were not expected to sign many junior college graduates, who have only two years of eligibility.

Texas obviously feels it needs quick replacements at defensive tackle, defensive back and linebacker.

Davis happy with Texas

ARLINGTON, Tex. (AP) — Star centerfielder Willis Davis has told the Texas Rangers he is pleased with his trade to the American League team from the National League Montreal Expos.

Davis told Ranger General Manager Don O'Brien by the telephone that he was anxious to get to Texas.

"He sounded very happy about coming down here to play," O'Brien said. "He said he was looking forward to getting back to a warm weather climate. He spent most of his career in a warm weather area with the Dodgers before he was traded to Montreal last season."
