**Jobs For  
Summer  
Look  
Promising**

Informed sources report that summer job opportunities for college students "look good" this year. National Parks, Dude Ranches, Guest Resorts, Private Camps, and other tourist areas throughout the nation are now seeking student applications.  
Summer job placement coordinators at Opportunity Research (SAP) report that despite national economic tourist areas are looking for a record season. Polls indicate that people may not go for the big purchases such as new cars, new homes, furniture or appliances, but most appear to be planning for a big vacation.  
A free booklet on student job assistance may be obtained by sending a self-addressed stamped envelope to Opportunity Research, Dept. SJO, 55 Flathead Dr., Kalispell, MT 59901. Student job seekers are urged to apply early!
