(Continued from p. 1) providing for the Student Business Council to make sure the profits from the machines will benefit those from which the profits come. Presented for first reading was the Confidence-No Confidence

proposal which provides for evaluating Administration actions. Also, a No Confidence Revisited resolution was presented to the Senate which provides for students to vote themselves not to be represented. If they do so, the students

will be given a chance to fill that position if they get a petition for a candidate that has more signatures than the number of No Confidence votes. Three Senate vacancies were

filled. Student Body President Steve Eberhard appointed John Beganuld (College of Agriculture, graduate), James Powell (College of Liberal Arts, graduate) and David Hill (off-campus, undergraduate).

He must be doing something right.

Any man who has earned the Diamond Medallion must be doing something right. So right that it puts him in a class by himself. This designation, which goes to only a very few young Provident Mutual agents each year, reflects fine service to clients and an excellent grasp of life and health insurance counseling. Like all coveted honors, the Diamond Medallion is not easy to come by.

Les's agency, his clients, and his Company congratulate him on a job well done.

TEXAS A&M UNIVERSITY
OFFICE OF THE DEAN OF ADMISSIONS AND RECORDS

To be eligible to purchase the Texas A&M ring, an undergraduate student must have at least one year in residence and credit for at least ninety-two (92) semester hours. A year in residence may consist of the fall and spring semesters or one of the above and a full summer session (both the first and second terms). The hours passed at the preliminary grade report period on March 12, 1975 may be used in satisfying this ninety-two hour requirement. Students qualifying under this regulation should leave their names with the ring clerk, room seven, Richard Coke Building. This should be done prior to March 12th in order for all records to be checked to determine ring eligibility. Students already having ninety-two (92) completed hours on record may order at any time since regular orders are sent in at the end of each month. Graduate students are eligible to order with proof (receipt) that they have filed for graduation.

Orders for mid semester will be taken by the ring clerk starting March 24, 1975 and will continue until May 1, 1975 at 4 p.m. All rings must be paid for in full when the order is placed. Students will save time if they will bring grade reports along when ready to order. Students who fail to leave their names in advance will be asked to return later to allow time for records to be checked. The rings are due to arrive at the registrar's on June 17, 1975. All rings ordered, regardless of whether on March 24, 1975 or May 1, 1975, will arrive at the same time.

The ring clerk is on duty from 8 a.m. to 12 noon and 1 p.m. to 5 p.m. of each week, Monday through Friday. However, in order for records to be checked, orders must be placed prior to 4 p.m. during this ordering period.

We hope this information will be helpful and extend our congratulations.
