utilities and streets, thereby reduc-The action was taken to insure that developers of a Planned Unit ing housing costs. The ordinance says that any combination of housing structures, including singlefamily residences and townhouses,

may be built within PUDs. Wolf Pen Village is being developed by J. W. Wood, president of the Wolf Pen Village Association. Don Reiser is developing the Post Oak Forest project.

fries and salad).

barbecue.

Both developers asked the com-mission if building plans submitted after the approval of the PUD area would still be valid. The commission ruled that the plans were valid, even though the developers had submitted plans more detailed than required by the ordinance. The ordinance requires that each developer submit plans to the commission for approval before con-struction can begin.
