It looks like these guys are getting ready to fry some fish, but they're actually weighing bass in the Aggie Bass Club's first Tournament. Checking the scales are Club President Tony Krauska, Sponsor Tommy Nuche, and Tournament Chairman Chuck Use.

Bellard's gridders prepare for Saturday scrimmage

By MIKE BRUTON
Sports Editor

The Texas Aggie football team tuned up Thursday with little contact as it prepared for its third spring scrimmage coming up on Saturday.

The offense ran through plays briskly as the defense went against some Ole Miss offensive sets. There wasn't much hitting as the workout was used as a teaching session.

The starting offense will be Carl Roaches at split end, Richard Osborne at tight end, Glen Bujnoch and Dennis Swilley or Dennis Smelser at the tackles, Bruce Welch and Billy Lemons at the guards, Henry Tracy at center, Skip Walker

April 26.

Saturday's scrimmage will probably have the No. 1 units, defense and offense, going against the No. 2 units. The first two scrimmages were hard fought with the starting units battling each other. But the Ags have apparently accomplished what Bellard had intended and are gearing down for the grand finale.

The secondary will be All-American Pat Thomas and Willie Thompson at the corners with Jackie Williams and Lester Hayes at the safeties.

and Bubba Bean at the halfbacks, Bucky Sams at the fullbacks, and David Walker under the tee.

The front wall of the defense will be Tank Marshall and Blake Schwarz at the ends and Edgar Fields and Jimmy Dean anchoring the middle. The linebacking chores will be handled by Garth Ten Napel and Ed Simonini on the outsides and Grady Wilkerson or Robert Jackson in the pit.

Dierschke back

Track team visits Waco

By PAUL McGRATH
Staff Sports Writer

Sprinter Sam Dierschke will return to action and hurdler Scottie Jones is listed as a possible as the Texas A&M track team visits Waco tomorrow.

Both thinclads have been out of action since the Border Olympics. Dierschke is scheduled to run in the open quarter and Jones, two-time Southwest Conference hurdles champion, may compete in the shuttle hurdles relay.

Baylor will host the Aggies along with Lamar Tech, North Texas State, SMU, UH and UTA. TCU was entered to compete but pulled out to go to the Kansas Relays. A&M sent one representative to Lawrence, Bill Newton in the javelin.

Track Coach Charles Thomas expresses concern that the Waco meet may be rigged for Baylor. He pointed out that the spring relay is run only 20 minutes after the spring medley relay causing Thomas to have to shift his sprinters around. "The meet is really a relay carnival and not a regular track meet. They shouldn't score it," Thomas said.

Extra incentive will be provided as wrist watches will be awarded to all first place winners.

A total of 29 Aggie thinclads have reached the qualifying marks for the SWC meet including both relay teams.

Next week the Aggies travel to the prestigious Drake Relays in Des Moines, Iowa. The team will leave Thursday via chartered jet.
