Governor's assistant speaks for Muster

G. Rollie White Coliseum surrounded with rifle volleys as students and former students participated in the annual Aggie Muster, commemorating the death of Aggie comrades during the year.

Larry Teverbaugh ('76), 1975 campus Muster Chairman, presided over the ceremonies which featured the Aggie Band and the Singing Cadets, with guest speaker Reagan V. Brown ('43).

Brown, special assistant to Governor Dolph Briscoe, spoke on the "Rendezvous with Life" that each man must meet before he dies.

John W. Caple, class of '52, president of the Association of Former Students, and Steve Eberhard '75,

president of the Student Body, were among the guests as was Jack K. Williams, president of the Texas A&M University System.

Roll call for the Absent was given by Steve Taylor ('75) followed by the traditional rifle volley by the Ross Volunteers and Silver Taps.

The ceremony was concluded by Teverbaugh who adjourned the Muster with an invitation for all present to muster again on April 21, 1976.

Blood drive tops record set in 1972

The Aggie Blood Drive produced a spring record of 1,067 units last week.

The three-day drive broke the old record by 237 pints. The previous standard of 830 was set in the spring semester of 1972.

An overall record of 1,205 units from last fall was the drive goal.

Drive Chairman Doc Wagner noted that the 13th donor next fall will be the 13,000th contribution in 17 years of Aggie Blood Drives.

EQUALITY IS A PART OF OUR HERITAGE SUPPORT THE E.R.A.

THE PROPOSED 27TH AMENDMENT . . .

Section I. Equality of rights under the law shall not be denied or abridged by the United States or by any State on account of sex.

Section II. The Congress shall have the power to enforce, by appropriate legislation, the provisions of this article.

Section III. This Amendment shall take effect two (2) years after the date of ratification.

Constitutional and legal authorities tell us that **equalized rights under the law** will mean . . .

Women will be subject to the draft JUST AS THEY HAVE ALWAYS BEEN [Selective Draft Law Cases 245 U.S. 360 (1918); Lichter v. U.S., 334 U.S. 742 (1948)]. Combat is not pleasant, FOR WOMEN OR FOR MEN; however, in 1971 during the Vietnam war **only one per cent** of all males eligible for the draft were assigned to combat units.

A proposed codicil to the 27th Amendment spelling out the effect of this amendment on **HOMOSEXUAL MARRIAGES** was defeated by a 73-18 senate majority which felt such clarification was unnecessary and that clearly the ERA DOES NOT LEGALIZE HOMOSEXUAL MARRIAGES. Included in this majority were **Texas Senators John Tower and Lloyd Bentsen.**

"The transformation of our legal system to one which establishes **equal rights for women under the law is long overdue** . . . The Equal Rights Amendment will establish **complete legal equality without compelling a conformity to any one pattern within private relationships.**" (Yale Law Journal, April 1971)
