OFFICIAL NOTICE

TEXAS A&M UNIVERSITY OFFICE OF THE DEAN OF ADMISSIONS AND RECORDS

To be eligible to purchase the Texas A&M ring, an undergraduate student must have at least one year in residence and credit for at least ninety-two (92) semester hours. A year in residence may consist of the fall and spring semesters or one of the above and a full summer session (both the first and second terms). The hours passed at the preliminary grade report period on March 12, 1975 may be used in satisfying this ninety-two hour requirement. Students qualifying under this regulation should have their names with the ring clerk, room seven, Richard Coke Building. This should be done prior to March 12th in order for all records to be checked to determine ring eligibility. Students already having ninety-two (92) completed hours on record may order at any time since regular orders are sent in at the end of each month. Graduate students are eligible to order with proof (receipt) that they have filed for graduation. Orders for mid semester will be taken by the ring clerk starting March 24, 1975 and will continue until May 1, 1975 at 4 p.m. All rings must be paid for in full when the order is placed. Students will save time if they will bring grade reports along when ready to order. Students who fail to leave their names in advance will be asked to return later to allow time for records to be checked. The rings are due to arrive at the registrar's on June 17, 1975. All rings ordered, regardless of whether on March 24, 1975 or May 1, 1975, will arrive at the same time. The ring clerk is on duty from 8 a.m. to 12 noon and 1 p.m. to 5 p.m. of each week, Monday through Friday. However, in order for records to be checked, orders must be placed prior to 4 p.m. during this ordering period. We hope this information will be helpful and extend our congratulations.

Viet guns take aim at Saigon

SAIGON (AP) — Viet Cong gunners rained scores of rockets into Saigon's Tan Son Nhut air base before dawn Tuesday and followed with ground attacks on the capital's evaporating defenses.

The attacks came hours after Communist leaders turned down a South Vietnamese government appeal for a cease-fire and peace talks.

Two American Marines were among those killed in the shelling of the airfield and a U.S. Air Force C130 cargo plane trying to fly refugees out was destroyed.

Sources at the Pentagon in Washington said sketchy reports were received about the deaths of the Marines, who had been on guard duty at the U.S. defense attache's office.

There were conflicting reports about the C130. Washington officials said the plane was empty and none of the crew was wounded.

Eyewitnesses at Tan Son Nhut said the big four-engine plane was taxiing near the control tower with nearly 200 refugees aboard when a rocket exploded nearby. They said the crewmen and refugees escaped, but some passengers apparently were hurt.

They reported the pilot of a second C130 moving down the runway shouted over his radio "Taking off! Taking off!" and his plane was the last evacuation craft into the air.

Thousands of Vietnamese and some Americans were gathered at Tan Son Nhut waiting to be flown out when the evacuation flights were suspended at dusk Monday because of an attack by an unidentified A37 fighter-bomber.
