OFFICIAL NOTICE

TEXAS A&M UNIVERSITY
OFFICE OF THE DEAN OF ADMISSIONS AND RECORDS

To be eligible to purchase the Texas A&M ring, an undergraduate student must have at least one year in residence and credit for at least ninety-two (92) semester hours. A year in residence may consist of the fall and spring semesters or one of the above and a full summer session (both the first and second terms). The hours passed at the preliminary grade report period on March 12, 1975 may be used in satisfying this ninety-two hour requirement. Students qualifying under this regulation should have their names with the ring clerk, room seven, Richard Coke Building. This should be done prior to March 12th in order for all records to be checked to determine ring eligibility. Students already having ninety-two (92) completed hours on record may order at any time since regular orders are sent in at the end of each month. Graduate students are eligible to order with proof (receipt) that they have filed for graduation.

Orders for mid semester will be taken by the ring clerk starting March 24, 1975 and will continue until May 1, 1975 at 4 p.m. All rings must be paid for in full when the order is placed. Students will save time if they will bring grade reports along when ready to order. Students who fail to leave their names in advance will be asked to return later to allow time for records to be checked. The rings are due to arrive at the registrar's on June 17, 1975. All rings ordered, regardless of whether on March 24, 1975 or May 1, 1975, will arrive at the same time.

The ring clerk is on duty from 8 a.m. to 12 noon and 1 p.m. to 5 p.m. of each week, Monday through Friday. However, in order for records to be checked, orders must be placed prior to 4 p.m. during this ordering period.

We hope this information will be helpful and extend our congratulations.

EDWIN H. COOPER, DEAN
ADMISSIONS AND RECORDS
CAROLYN WATSON,
RING CLERK

WW II recalled by Eden

ALVEDISTON, England (AP)— In Europe, at last, the most devastating war in history was over.

Winston Churchill stood among the ruins of Hitler's Reich's Chancellery. Around lay the shattered landscape of Berlin, acre on acre of rubble pierced by the skeletons of broken buildings.

At the British war leader's side was his foreign secretary, Anthony Eden, now Earl of Avon. In May 1945, when Allied victory had brought Germany's unconditional surrender, Eden had been in San Francisco and far from Britain's frenzied celebrations.

Now, under the July sun amid the ruins of Hitler's capital, came the moment which might seem best to symbolize triumph, the end of a road which had begun in 1938 with his stand against appeasement of dictators.

Yet it was, Lord Avon explained in an interview to mark the 30th anniversary of victory in Europe, a moment less of triumph than relief. That relief was shadowed by anxieties for the future, and overwhelmed by personal grief at the loss in action of his elder son.

During a two-hour conversation at his country home, Lord Avon recalled those forebodings of 30 years ago.

Japan was defeated. The Soviet Union was sowing the seeds of the Cold War. Differences of approach, if not intent, had developed between the United States and Britain, Western keystones of the Grant Alliance.

Lord Avon conducted the interview in Churchill's wartime style, dictating from his bed and surrounded by newspapers. Lady Avon, who is Churchill's niece, was the only other person present.
