OFFICIAL NOTICE

TEXAS A&M UNIVERSITY
 OFFICE OF THE DEAN OF ADMISSIONS AND RECORDS

To be eligible to purchase the Texas A&M ring, an undergraduate student must have at least one year in residence and credit for at least ninety-two (92) semester hours. A year in residence may consist of the fall and spring semesters or one of the above and a full summer session (both the first and second terms). The hours passed at the preliminary grade report period on March 12, 1975 may be used in satisfying this ninety-two hour requirement. Students qualifying under this regulation should leave their names with the ring clerk, room seven, Richard Coke Building. This should be done prior to March 12th in order for all records to be checked to determine ring eligibility. Students already having ninety-two (92) completed hours on record may order at any time since regular orders are sent in at the end of each month. Graduate students are eligible to order with proof (receipt) that they have filed for graduation. Orders for mid semester will be taken by the ring clerk starting March 24, 1975 and will continue until May 1, 1975 at 4 p.m. All rings must be paid for in full when the order is placed. Students will save time if they will bring grade reports along when ready to order. Students who fail to leave their names in advance will be asked to return later to allow time for records to be checked. The rings are due to arrive at the registrar's on June 17, 1975. All rings ordered, regardless of whether on March 24, 1975 or May 1, 1975, will arrive at the same time. The ring clerk is on duty from 8 a.m. to 12 noon and 1 p.m. to 5 p.m. of each week, Monday through Friday. However, in order for records to be checked, orders must be placed prior to 4 p.m. during this ordering period.

We hope this information will be helpful and extend our congratulations.

EDWIN H. COOPER, DEAN
 ADMISSIONS AND RECORDS
 CAROLYN WATSON,
 RING CLERK

Librarians fill state positions

Six TAMU librarians were chosen at the Texas Library Association's annual conference in Dallas to serve in national and state capacities.

H. W. Hall, serials acquisitions librarian, was elected as Texas chapter counselor to the American Library Association.

A&M had four librarians chosen to round table vice chairman and chairman-elect office. They include Mary Lynn Hyde, Documents Round Table; Sharon Smith, acquisitions; Leila Payne, Texas Regional Group of Catalogers and Classifiers; and H. C. Yu, interlibrary loans.

Don Dyal of the serials acquisitions department was elected vice chairman and chairman-elect of the TLA's Serials Forum.

Crane egg produced by captives

WASHINGTON (AP) — Government wildlife experts have incubated the first egg produced by a captive flock of whooping cranes in hopes of increasing its chances for survival.

The U.S. Fish and Wildlife Service described the laying of the egg as "a major event of scientific importance."

"It is not yet known if the egg is viable," the service said Monday. "The shell is too thick to candle."
