## Goldsmith to perform in Scotland

Trailblazing Brenda Goldsmith, the first woman to earn a scholarship to Texas A&M due to her athletic ability, was one of the first women ever allowed to play on the legendary Royal and Ancient Golf Club of St. Andrew's in Scotland when she competed in the Women's British Amateur Championship this week.

Goldsmith, a sophomore from San Antonio, was the only Texan and one of only 10 Americans invited to the historic tournament. Qualifying rounds are being played June 10-11 with match play beginning June 12. The American contingent will be led by defending champion Carol Semple.

Goldsmith earned her invitation by being one of the top young women golfers in the nation. The last week in May she beat defending champion Martha Jones in the quarterfinals of the Women's Southern Amateur in Nashville, Tenn., before losing to eventual winner Beth Barry in the semifinals.

During her stay in Scotland, Goldsmith will be the house guest of Mrs. Belle Robertson, captain of the 1974 British Curtis Cup team. Mrs. Robertson will take Goldsmith to play at famous British Open courses Troon, Prestwick and Glen Eagle for practice rounds.

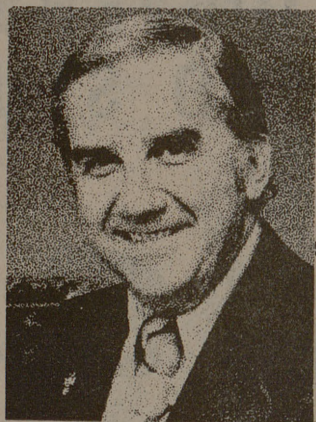

Following the tournament in Scotland, Goldsmith will fly directly to Tucson, Ariz., to represent A&M in the AIAW National Collegiate Golf Championship at Oro Valley Country Club. The 72-hole tournament will be played June 16-21.

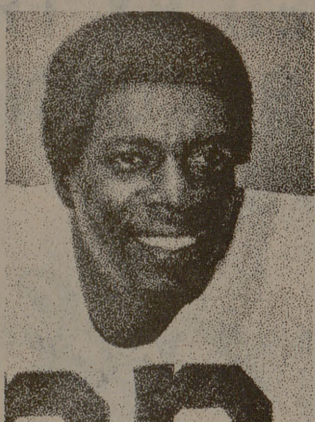

"When my brother Richard and I toured Texas recently we discovered a whole new attitude on your highways. It's called driving friendly. No more horns honking. No more tires screeching. Driving friendly. Just good people going about their business. Keep it up."

Karen Carpenter

# THE STARS DRIVE FRIENDLY

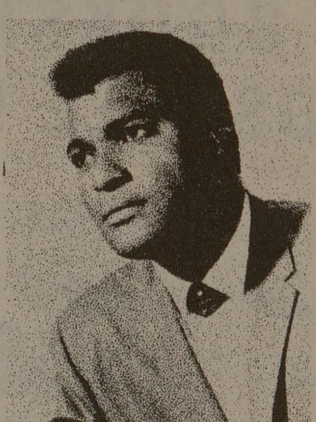

"I admit I do enjoy a nip every once in awhile. But I never drink when I'm going to have to do the driving home. If you plan to drink, let someone else drive. That's just one more way to drive friendly —the Texas way."  
—Ed McMahon

"Speed on the highway usually has only one end zone . . . an accident. Try driving friendly. Keep your speed down . . . You'll make it to the goal line every time."  
—Bob Hayes

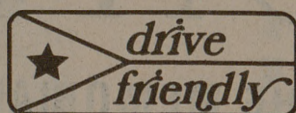

"My natural beauty usually attracts so much attention that drivers take their eyes off the road to stare at me and they run into telephone poles and fire hydrants. It's a mess. But you Texans keep your minds on your driving. You don't give beauty more than a quick glance. You drive friendly."  
—Phyllis Diller

"When somebody behind you wants to pass, pull over to the right and let him by . . . that's driving friendly."  
—Charley Pride

"There's nothing the Lettermen enjoy more than putting together a little close harmony . . . On the highway we make harmony by blending in with traffic. Driving Friendly to make it all work together."  
—Gary Pike of The Lettermen
