HAIR COLOR

Once you're up there, you can't work your way down.

You can dye your hair or lie about your age and it still won't change the situation. As you get older, life insurance rates go up. Never down.

The best time to buy life insurance is while you're in school. Your rates are lower and your policy matures while you're still young enough to enjoy it.

Drop by our campus office and let's talk over our life policy with the Guaranteed Purchase Option.

If you like the old neighborhood but don't like the old house... then you might consider a home improvement loan from BB&L.

For over 50 years, BB&L has provided funds to repair, remodel, update and expand family homes in the Brazos Valley. Money is now also available for new carpet, built-in appliances, fencing, even swimming pools.

Terms for home improvement loans have never been better: up to 12 years and \$15,000. Financing includes conventional terms and FHA guaranteed loans. Payments are tailored to fit tight budgets and a minimum of paperwork is required before you can begin.

Talk to any officer in the Installment Department about home improvement loans.

With a little remodeling, you might like the old neighborhood and the old house better than ever.
