## Leading Western Division

# WFL's San Antonio rips Southern Cal, 54-22

With a stunning 54-22 victory over a favored Southern California Sun, the San Antonio Wings took undisputed possession of first place in the WFL Western Division Saturday night, Aug. 9.

With less than three minutes gone in the first quarter the Wings' top rusher, Billy Sadler, took the ball over right tackle for the game's first tally. QB Johnny Walton rolled out for the action point, putting San Antonio in the lead, 8-0.

SoCal came back in the second period with a pass by Pat Haden to Chuck Bradley for the first Sun score. The action point failed and the Wings held onto an 8-7 lead. Later in that period Steve Conley swept left for a second Wing TD.

Walton's action point pass to Willie Frazier fell incomplete and the half ended 15-7 San Antonio.

The Wings really came alive in the third quarter, scoring 31 points. Two TDs came within one minute and 11 seconds of each other. A third score came on a 42 yard-nine play drive and the fourth with just 57 seconds left in the quarter.

Leading by 46-7, the Wings weren't quite through yet. Hugo Hollas picked off a Haden pass, after it was tipped by linebacker Billy Hobbs, and ran it back for a 55 yard TD, to end the Wing scoring.

With still 6 minutes to go in the game, wide receiver, Dave Yaeger (who doubles as the Wings punter) took a snap from the Wings 13 and sent it on its way to a new WFL punting record of 87 yards.

In defeating the Sun the Wings not only got revenge for a last min-

ute defeat by the Anaheim team in the season's first exhibition game (36-31) but also wound up a four game home stand in which they won all four games (one exhibition against the Memphis Southern 7-0) and three regular season: Charlotte Hornets 19-3; Shreveport Steamer, 27-10; and Southern California Sun, 54-22.

The Wings, the surprise team of the WFL and perhaps all of professional football, take their show on the road for two weeks. On Aug. 16 they meet Charlotte for the second time. And on Aug. 23, they visit the Jacksonville Express.

True to its reputation, the Wing defense rose to the occasion in their game with the Sun, containing Anthony Davis to a mere 45 yards. Just as they had stopped Larry Csonka in a dramatic goal line stand in their game with Memphis.

# MATCHES

Matches don't start forest fires. People do. And they do it because they don't think. And because they don't take the time to be careful.

In the few seconds it takes you to hold a match until it turns cold, and to break it in half, you can think about the forest you're helping to protect.

And that's something well worth thinking about. And well worth your time protecting.

## Professor praises vital information

By **CERARD A. O'DONOVAN**  
Special to the Batt

How difficult it must be for David Walker and Mike Bruton (Sports Editor) to keep sports in the Battalion so interesting as they do.

Last week, Bruton, in his article on equal rights for women athletes — females are XX, you know, and males are XY, so IX must be female and thus having different things in their genes — Mike devoted two paragraphs that were in sensitive style and extremely serious. "DO-NATE BLOOD to the Red Cross," he said and he named two people on campus who are most grateful. Thank you, Mike, on behalf of the Red Cross.

The United States needs blood. It needs more and more blood to meet the demands of hospitals and physicians applying increasingly sophisticated medical technology, and to supply pharmaceutical concerns with the plasma they use in the production of new vaccines and sera.

A trip to the Bloodmobile will serve three purposes. You will learn your blood type (71 per cent). It is easy to carry a card in your wallet denoting same. Remember that O blood type is the universal donor and AB the universal recipient. Thus O can be given anyone and AB can accept all types of the A, B, O classes.

Incompatible matings like A males marrying O females are highly dangerous. Children, after the just, may die of hemolytic jaundice; the same is true of Rhesus positive males crossed with RH negative females. Much more about

blood can be learned from your Red Cross and from Genetics 310, which is to be offered on Tuesdays and Thursdays from 11 a.m. to 12:15 p.m. in the fall.

As Dr. Shelby Metcalf would say, "Bloody great Norm," and may I add my ultra congratulations on a phenomenal recruiting season for the Southwest Conference basketball Champs! I see a dynasty! Shelby tells me that the loud noises heard last week were not thunder, but Norman Ruether clapping himself on the back for his most recent "letter of intent," Bryan Holland!

Who says winning does not help recruiting? It doesn't hurt. A much more detailed article on the Rick Barry-like warriors from Aggieland will appear in the Battalion before the semester begins. I must compare Al Attles to Shelby Metcalf. Barry Davis — Norman kept his word.

## THINK BUFFALO

COME TO THE MSC CAFETERIA WITH ALL YOUNG CHIEFS AND INDIAN PRINCESSES TO GREAT POW WOW. ORDER ROAST BUFFALO AND BE INITIATED IN THE ROYAL ORDER OF BUFFALO HUNTERS. THIS IS REAL BUFFALO... NO BULL. ALL WHO PASS THE TEST WILL BE PRESENTED WITH AN INDIAN HEADBAND.

Because of the great interest of our customers to have a taste of the past, Buffalo will be served again this spring and summer. It is the opinion of many that the Indians had a good thing going with the Buffalo. There are many other tasty items on the menu each meal, but no matter what you desire stampede to the MSC Cafeteria.

EACH EVENING **\$1.49**  
4:30 p.m. - 7:00 p.m.
