

Bears lose quarterback

Baylor-20, Ole Miss-10

WACO - Baylor running backs Cleveland Franklin and Pat McNeil, behind the blocking of that good old Baylor line, combined for 275 yards Saturday night, leading the Bears to a 20-10 victory over the Mississippi Rebels.

The victory was a costly one for the Bears though as they lost starting defensive end Allen Stone for the year with a knee injury and quarterback Mark Jackson for an indefinite period with a shoulder separation.

Baylor team doctors first announced that Jackson's collarbone was broken and that he would be out for the season but after another look at the X-Rays they decided that it was just dislocated and he would miss four to six weeks.

The Bears played as though they had not lost anyone piling up 340 yards total offense to only 85 by the Rebels.

The two teams played to a scoreless first quarter before the Bears scored two second quarter touchdowns.

Franklin and McNeil each scored touchdowns in the second quarter.

Franklin, who scored on a four-yard run, gained 140 yards on 18 carries. McNeil's touchdown was a 13 yard blast. He had 135 yards on 17 tries.

The other Baylor points came on field goals and extra points by Bubba Hicks. Hicks two extra points ran his string of consecutive PAT's to 48. His field goals were from 48 yards, on the last play of the first half, and 34 yards with less than a minute to go in the game.

Mississippi scored their touchdown in the second quarter after they covered a Baylor fumble deep in the Bears end of the field.

The short drive was capped by a five yard run by quarterback George Plasketes.

A Steve Lavinghouze field goal with six minutes left in the game brought the Rebs to within seven but the Bears took more than five minutes in their final drive that ended with Hicks' field goal.

Plasketes, who started and played most of the game at quarterback for the Rebels, was reminded after the game that the loss was to the defending Southwest Conference champions and his next foe this year's favorite to take the crown, Texas A&M.

"Man, if Baylor is just picked fourth in the SWC and Texas A&M is supposed to run away with it, well, I'm not looking forward to it, at all," Plasketes said.

Baylor coach Grant Teaff was happy after the game but was mainly concerned with the injuries to Jackson and Stone.

"I've said all along that the one player we couldn't afford to lose was Mark Jackson, and now we've lost him, maybe I should keep my mouth shut," Teaff said. "They told me that Stone is out for the year with his knee. It's really a tough break," Teaff added.

The victory for the Bears was their first opening season win in nine years, while the loss for Mississippi was their first for an opener in nine years.

Soccer team ousts Stephen F. Austin

The Texas A&M soccer team opened up the 1975-76 season Saturday with a resounding 6-3 win over Stephen F. Austin.

Led by Ben-Ali Habab's three goals, the Ags used a newly organized front line to pound the visitors. Forward Mehrdad Farrokhnia,

halfback David Longoria and wingback Kait Mogatle also scored for the Ags.

The Ags will be idle this weekend, but hope to be strong for the next game as coach Kurt Irgolic returns this week from Austria to take over the reins.
