Water Polo Ags net 7 wins

The Texas A&M University Water Polo team concluded its California tour on a happy note, winning college division title in the West Coast tourney.

The Aggies of Coach Dennis Fosdick rampaged for seven straight wins before having to settle for a tie with Stanford. For the year, the water poloists now stand 9-0-1.

The Ags beat Fresno State, Diablo Valley, De Anza, and Berkeley by the combined score of 39-19 before the 6-6 match with Stanford. Because of a need to continue the tournament, no overtime period was allowed.

In the game against the Golden Bears, A&M trailed 6-4 with 43 seconds remaining and managed to put

in two goals within 25 seconds to knot the score.

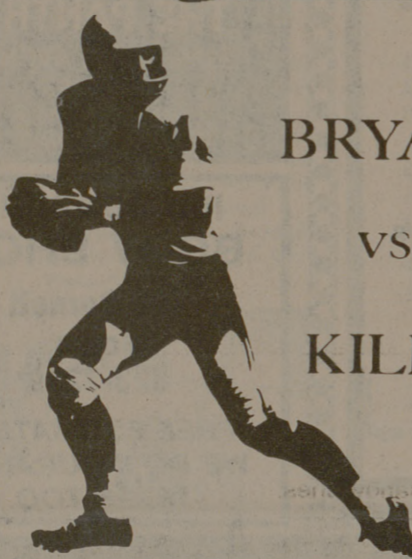

Freshman Blake Hinman led the Aggie attack all during the tour, hitting 20 of 31 shots at goal, or 65 per cent. Another freshman, Bill Yates, scored 21 goals for the Maroon. His older brother, Jim, had 20. Don Reeser was next with 19 scores and led the squad with ten assists. The younger Yates followed with nine.

Fosdick seemed pleased with his team's overall performance but felt the team's fatigue became obvious in the final games. He also said that while the offense and defense came together on several occasions, the team still had some problems with the new rules and not playing as a team.

Harriers lose, improve on times

By PAUL McGRATH

The Rice Owls and University of Houston Cougars used their home-ground advantage to outdistance the Texas A&M University of Texas cross-country teams last Saturday.

The Owls led by Jeff Wells and John Lodwick, took the four-team meet with the low score of 29 points. UH followed with 45, Texas A&M went to the showers with 65 and the Horns brought up the rear with a score of 80.

Such was the Houston school dominance that the two squads had seven men place in the top ten finishers, Rice with four and the Cougs with a trio. Texas A&M's Charles Cottle was the only man

from the Aggie contingent to place, at fourth, while the Steers had a pair of runners in the lead group.

Wells, who won his 14th straight cross-country race, was the first finisher with a time of 19:27 for the four-mile course covering the hilly terrain of Buffalo Bayou. Teammate Lodwick was right behind at 19:55.

Cottle paced Wells the entire race until the last half mile when he was passed by Lodwick and Brad Rickman of Houston. Cottle clocked in at 20:01.

"Our kids have been improving each week. Charles Cottle really ran well for us," said Nelson.

"I told them not to worry about winning the meet, just to run well. The sun will still come up tomorrow if they don't win."

Vikings prove deserving of top ranking, prevail over Killeen

Kyle Field held the game that could compare to no others Friday night. The two top teams in the state met in what was said to be the decisive game of District 15-4A. Bryan,

ranked No. 1 by AP and Killeen, ranked No. 1 by UPI locked horns in the district opener and Bryan came out on top 28-12. The stands resounded with the roar of over 20,000 voices. The roar was well deserved as the fans were treated to an

exciting, action-packed game.

Despite the lopsided score, Killeen put up a fight that any coach would have been proud of. Only brilliant defensive plays by Bryan's Gerald Carter and James "Tank" Hunter kept Killeen from crossing the goal line more than once. Carter, playing at defensive end, intercepted two passes and knocked down several others. His first interception came in the endzone when Killeen was threatening late in the fourth quarter.

While the defense was keeping Killeen out of the endzone Curtis Dickey and Co. were racking up points for the Vikings. Dickey, one of the most sought-after football players in Texas, set a new Bryan High rushing record with 190 yards. He literally outran the Killeen secondary on a 85-yard touchdown run late in the second quarter. His superb running left no doubt in anyone's mind that he should be highly thought of by college football coaches. Quarterback Harry Francis and fullback Mike Davis ran consistently all night and Francis' passing kept the Killeen secondary on their toes.

There were many worried minds in Bryan before the game because of the unknown-ineligibility of fullback Richard Harris. Harris was found to be two weeks too old to play in UIL competition and the Vikings had to forfeit their first three games because of it.

Coach Merrill Green moved David from quarterback to fullback and Francis took his place at quarterback. It was feared that the morale of the team would be hurt because of it, but the Vikings proved that hurdle a small one. The Vikings showed the determination of a team that knows it is good enough to be No. 1. Killeen was supposedly the team's toughest test of the season.
