REDWOOD CITY, Calif. — Patricia Hearst has taken up knitting while in jail here, the county sheriff says.

"She's been making some shawls, things like that," says sheriff John McDonald. "She's been doing a lot of knitting. It's that new easy type of knitting with large yarn."

The 21-year-old newspaper heiress, who was arrested two months ago and is awaiting trial Jan. 26 on federal bank robbery charges, also reads magazines, books and newspapers to relieve boredom, he said.

UNITED NATIONS, N. Y. — Harvard President Derek Bok, rock star Stevie Wonder, feminist Gloria Steinem and world heavyweight boxing champion Muhammad Ali have something in common.

Oxfam-American, a private development and relief agency trying to organize a nationwide fast, announced Tuesday that all four will be among those going hungry Thursday and contributing the money they save to help relieve hunger in the world.

ABILENE, Kan. — Mrs. Dwight D. Eisenhower, who visits her late husband's home town at least once a year, this year made a brief and unannounced visit to the chapel where the former president is buried.

Dr. Don Wilson, deputy director of the Eisenhower Center, said the 79-year-old Mrs. Eisenhower spent about two hours Monday at the center. "She brought along a few personal and family gifts for the museum," Wilson said.

SAN DIEGO — A plea of guilty to a reckless driving charge has

brought a \$10 fine for financier C. Arnholt Smith.

Smith had been charged with driving under the influence of alcohol on Oct. 15, but the more serious charge was dropped when Smith's attorney appeared in court Monday and entered the plea to the lesser charge.

Smith, 76, was a prominent California businessman when his empire collapsed in a series of criminal and civil court actions.

PASADENA, Calif. — A 4-year-old movie, a cake and a turn for the better marked the 67th birthday of songwriter Johnny Mercer, who underwent brain surgery last month.

Mercer, whose doctors say they removed a noncancerous tumor Oct. 25, was moved out of the intensive care unit at Huntington Memorial Hospital Tuesday, a spokesman

said. Mercer's family held a small party for him in his room, including a showing of the 1935 movie "Old Man Rhythm," in which he appeared.

Mercer's hit songs include "Laura," "That Old Black Magic" and "Blues in the Night."

SAN ANTONIO — Dennis Stanfill, chairman of the board of Twentieth Century Fox, found himself the object of amusement when a fire broke out on the 22nd floor of a local hotel.

Stanfill's movie company released the film "The Towering Inferno." Flames engulfed a curtain in the Hilton Palacio Del Rio's ballroom Tuesday as Stanfill met in a nearby room with some 75 civic leaders. Firemen quickly extinguished the blaze, but not before smoke billowed through sections of the hotel.

BUYING PAGES IN THE AGGIELAND '76 FOR ORGANIZATIONS AND CLUBS

In an attempt to set precedent concerning the criteria of recognized versus unrecognized organizations and clubs, The Aggieland '76 is requiring organizations and clubs desiring to be represented in the book BE RECOGNIZED BY THE UNIVERSITY.

Even if an unrecognized organization or club has bought pages in past Aggielands, if they want to be included this year the organization or club must go through the recognition procedures established by the university.

An organization or club wanting to become recognized can do so at the Student Programs Office, second floor of the MSC.

The Aggieland will accept no organization or club reserving space after Nov. 14, 1975.

All previously recognized organizations and clubs plus those applying for recognition have until Nov. 14 to reserve space. After Nov. 14 there will be no further space sold in the book and no exceptions will be made.

If any questions develop call Student Publications at 845-2611, ask for Debbie Stallings or Gary Baldasari.
