

Tennis team prepares for tournament in Waco

The Texas A&M tennis team is preparing for the S.W.C. Tournament to be held Thursday through Saturday at the Sul Ross Courts in Waco. This year the tournament has an entirely new format with six separate doubles tournaments matching the number 1 through the Number 6 players from each of the nine schools.

The A&M entries are number one seed Charles Emley, number two seed Tom Courson, followed by Mark Silberman, Mike Moss, John Kirwan and Robin Baker.

The doubles entries are Emley/Courson the number one seed, Kirwan/Baker the number two seed and Moss/Baker the number three seed.

The Aggies are fresh off a shellacking in a dual meet with S.M.U. The score was 9-0.

In the singles the Aggies number one seed, Charles Emley, was defeated by S.M.U.'s number one seed David Bohrnstedt, 6-3, 6-0. The closest match was between Chris Delaney and the Aggies' Mike Moss. The score was 6-7, 7-6, 7-6.

The doubles did not treat the Aggies any better. Turpin/Vines of S.M.U. defeated the Aggies number one team of Emley/Courson, 6-3, 3-6, 6-2.

The Aggies will go into the S.W.C. Tournament with a S.W.C. record of 2-5.

Aggie women place second

Baylor wins track

By CAROLYN BLOSSER
Battalion Staff Writer

The Baylor Bears totally dominated the Texas Association of Intercollegiate Athletics for Women (TAIA) Central Zone Meet here last Saturday.

The Bears scored an overwhelming 105 points, compared to A&M's 42 and Sam Houston State's 30.

The multi-talented Suzi Snider, who is also the number one player on Baylor's women's basketball team, controlled a monopoly in the field events, winning first in the shot put, discus, and javelin throw.

Sharon Boyle was the workhorse for the Aggies as she competed in

five field events, taking two firsts and qualifying in four events for the state meet.

Boyle won the two-mile and three-mile runs with times of 12:47.49 and 20:39.65, respectively. She won second place in the mile run with a time of 5:57.54, while her jump of 3-8 also won second in the high jump.

Sandra Lyman captured second in the shot put with a throw of 37-10 3/4, and third in the discus with 126-3.

Darcey Ehmann's throw of 131-9 won second in the discus, while her

effort of 34-9 was good for third in the shot put.

Debbie Timmons clocked 1:14.67 to win second in the 400-meter hurdles, while Martha Sartain ran the 880-yard dash in 2:30.57 to take third.

Kay Kingsberry finished third in the mile run with a time of 6:35.16. The team of Kingsberry, Lyman, Ehmann, and Diane McCrady finished the two-mile relay in 12:49.46 to take second.

The top three finishers in each event, plus any other athlete who made the state qualifying standard, qualified for the state meet to be held here at Kyle Field, April 30.

Aggie golfers ready to go to SWC tourney

The Texas Aggie golf team, fresh off a 13th place tie in the All-American Intercollegiate International (AII) golf tournament, is preparing for the next S.W.C. tournament to be held Friday and Saturday at Waterwood National Country Club. The club is located east of Huntsville on Lake Kingston.

The club directors have scheduled

a practice round on Thursday with 36 holes being played on Friday and 18 on Saturday.

The Aggie entries are Monte Schauer, Steve Whiteside, Bobby Baker, Doug Ward, Larry Gorzycki and Rusty Day.

Schauer was the Aggies' best finisher in the AII tournament, tying for 19th place. His four-day total of 298 was 18 strokes in back of win-

ner Chip Beck of Georgia. Day was only one stroke behind Schauer at 299.

Other Aggie finishers were Bobby Baker at 301, Larry Gorzycki at 304 and Steve Whiteside at 309.

Oklahoma State, shooting even par as a team, won the team totals at 1,152. A&M's four-day total was 1,202.

Three players share MVP honors for efforts on basketball team

A most valuable player was named this year for the 1975-76 Texas A&M University basketball team—three players share the title.

Coach Shelby Metcalf presented awards to Barry Davis (6-6, 210), Ray Roberts (6-4, 200) and Sonny Parker (6-6, 195) for being selected as the three most valuable players on the Aggie basketball team.

The awards were presented at a banquet that was held Friday night at Houston's Hyatt Regency Hotel. Each member of the team was presented with a team picture and

would have also received Southwest Conference championship rings, but the rings have not been delivered. The staff and close affiliates of the Southwest Conference champs also were presented with team pictures.

The voice of Aggie basketball, Mike Mistovich, attended the affair and did not approach the microphone except to receive the picture which Metcalf presented to the sports announcer.

The evening went smoothly except for the loud music which came from a rock band playing in the adja-

cent ballroom. When Emory Bellard approached the podium and began to speak, he said that he did not know whether he should talk or dance.

Dr. Shelby Metcalf told how tough it is to be a champ. He told the crowd that if a person is to be in command out in the world, he must also be in command at home.

"And I want you to know that I have breakfast in bed every morning," Metcalf said.

"Of course I have to cook it myself...but..."
