

# C.S. United Fund gets campaign head

Dr. George W. Kunze, dean of Texas A&M University's Graduate College, will head the 1976 fundraising campaign for the College Station United Fund, said A.C. Vinzant, United Fund board chairman.

"Dean Kunze's gracious acceptance of this big job means that we are off to a good start in our endeavor to provide financial assistance to the highly deserving agencies that depend on the United Fund for support in carrying out their programs benefitting various segments of our community," Vinzant said.

The dean said he is currently contacting individuals to serve in key positions for the community-wide drive and soon will announce the appointments.

Dates for the campaign will be coordinated with similar activities in Bryan, he said.

"We've got our work cut out for us, but I have the utmost confidence that if we properly organize and explain the need to the citizens of College Station, we will have no trouble providing the necessary funds," he said.

The goal for this year's drive will be set at a board meeting in early July.

Kunze came to College Station in 1941 as a freshman majoring in agronomy. After service in the Air Force during World War II, he returned and received his B.S. degree in 1948, stayed to study for a master's degree in soil chemistry, which he received the following year. He became a permanent resident here in 1952 when he joined the faculty after earning a Ph.D. in soil mineralogy at Pennsylvania State University.

He was named dean of the Graduate College in 1968 after having served a year as associate dean. He also is a professor of soil and crop sciences.

Dean Kunze has long been active in civic and community affairs, as well as serving in various capacities on the state and national level. He is a member of Bethel Lutheran Church and was president of College Station Little League in 1966-67. He is immediate past president of the Association of Texas Graduate Schools and was appointed earlier this year to the blue-ribbon Federal Advisory Committee on Affirmative Action in Employment at Institutions of Higher Education.

# Clipper docks in Halifax

The Lone Star sailors of the TS Texas Clipper were to arrive in Washington D.C. today as a part of the ship's official bicentennial cruise.

Last week, ship's officers reported, via satellite, that Texas A&M University's Texas Maritime Academy training ship and the crew of 173 men and women had docked at Pier 31 at Halifax, Nova Scotia.

The first port-of-call was Boston, where 76 members of the A&M Former Students Club of Boston met the ship. Fred Thomas, a member of the club, represented the mayor of Boston and accepted the satellite greeting of Galveston's mayor. Galveston is the home port for the ship.

The ship left Galveston on June 6, on its twelfth annual summer training cruise. Students aboard represent Texas, 18 other states, the Canal Zone, Colombia, and Hong Kong.

The Texas Clipper has been designated an official Texas bicentennial activity and is representing the state, the city of Galveston and Texas A&M University.

# Ex-Regent honored

Ford D. Albritton Jr., a former member of the Texas A&M University System Board of Regents and a 1943 A&M graduate, was given honorary faculty status in the month-long American Economy Institute conducted at the University.

Albritton appeared on the list of scheduled speakers for the institute, a special seminar designed to assist teachers to fulfill recent mandates that public high schools teach free enterprise system essentials.

Albritton resides in Bryan but has widespread business interests. He is chairman of the board and executive officer of Tipperary Corp., of Midland, and Ashbrook Corp., of Houston. Albritton is past president of both the Association of Former Students and Texas A&M Research Foundation.

**The Bacardi Driver. Zippier than a screwdriver. Easy as 1, 2, 3.**

1. Pour 1 1/2 oz. Bacardi light rum over ice in a tall glass.
2. Pour on ice cold orange juice.
3. Squeeze and drop in a lime or lemon wedge. Now you're ready to sip some zip. Because Bacardi and that hint of lime or lemon really turn on the OJ!

BACARDI rum. The mixable one.
