Former Texas A&M gridders continue to fare well in the pro ranks as Jackie Williams has been awarded a berth with the Buffalo Bills. The multi-talented, but underpublicized Williams starred in the Aggie secondary for four seasons. He joins former teammate John Paul McCrumbley on the Buffalo defen-

sive unit. The Bills were the worst team against the pass in all of pro football last season and Williams will be called upon to help shore up their leaky secondary.

Bubba Bean, now the property of the Atlanta Falcons, returned to practice sessions recently after

being sidelined for several days with a throat infection. Bean was the top draft choice of the Falcons.

The Houston Oilers waived center Ricky Seeker Monday as Bum Phillips' crew begins their first full week of drills.

Seeker finished his career at A&M two years ago and was drafted by the Oilers in 1975.

The College all-Stars go up against the world champion Pittsburgh Steelers this Friday night to signal the beginning of the end of the six month long football drought.

The collegians have been dominated by the pros in recent years, but should field a highly talented and competitive squad. Top names such as Joe Washington, Leroy and Dewey Selmon, Ed Simonini and Heisman trophy winner Archie Griffin will take on Joe Greene, Jack Lambert, Franco Harris, Terry Bradshaw and the rest of Coach Chuck Noll's Super Bowl champs of two years running.

Chicago's Soldiers Field will host the game which will be televised na-

tionally by ABC starting at 8:30 p.m.

Former Notre Dame Coach Ara Parseghian will lead a group of 56 all-Stars against Pittsburgh and feels confident his squad will make a good showing against the pros. The collegians have won only two games in the last 20 meetings.

Further whetting the football appetite will be the professional's Hall of Fame Game in Canton, Ohio this Saturday at 1 p.m. The contest pits Denver against Detroit and also will be televised nationally.

The Texas Football and Basketball Coaches Clinic will be held next week in Houston and concludes with the high school all-Star games in both sports.

Texas A&M will have eight representatives in the North-South football clash, four on each squad.

Only a skeleton crew of Texas A&M coaches are on campus these days as the majority of assistants have gone to California to visit several pro training camps, including the Dallas Cowboys.

Keith Spiers "fastest human"

Keith Spiers won the Brazos Valley Joggers Club's "World's Fastest Human" title with a time of 4:52 for the mile run.

Spiers, 19, was relatively alone at the finish, but he had a lot of company overall on the Kyle Field track Saturday when 33 participants showed up, the most ever for a BVJC event.

It was a fast field, with 15 runners recording times of under six minutes. Runner-up was 39-year-old Mike Christiansen, club president, who was clocked at 5:01. He was followed by Jacques Martin, 5:04; Don Kirby, 5:05; and John Crompton, 5:06.

Tim Parker checked in with 5:19, one second ahead of David Barrow, who finished a tick ahead of Jay Wotton. The trio of David Allen, Bill Timmins and Rusty Rush legged it out in 5:27, with Bill Perry in at 5:31, Jimmy Sterline at 5:40 and Bartley Braden and Leigh Martin at 5:53.

Molly Allen was the top finisher among the women, with a time of 6:29.

Prairie View sends four to Olympics

Prairie View A&M University has sent four of the eight members of its national championship women's track team to Montreal to compete in the Olympics.

Meanwhile, the university has paused to honor the coach that built the team to a powerhouse that has won three Association of Intercollegiate Athletics for Women (IAIW) titles and two United States Track and Field Federation championships since 1974.

Coach Barbara Jacket Day, held recently, saluted the high school athlete from Port Arthur who came to Prairie View A&M to lead the Pantherette tracksters to 159 season wins in six years, the last three as undefeated champions of the AIAW.

University President Dr. A. I. Thomas called her a "fine example," and pointed to her accomplishments since joining the PVAM staff in 1964.

Debra Sapenter, a PVAM English teacher who graduated in 1974, will represent the U.S. in the 400-meter run while Temple freshman Arthurine Gainer runs the 600-meter relay for America.

Wearing the trappings of their homeland, Jamaica, will be junior Andrea Bruce (PVAM Athlete of the Year in 1976) and Carol Cummings, a 1976 graduate.

Sapenter, the world's fastest English teacher, is a favorite in the 400-meter dash at Montreal as she holds the current world record in the 440-yard dash at 52.2 seconds. She set the American record in the 400-meters at 51.6 seconds, 1.7 seconds off the world mark.

One of 60 athletes on an AAU goodwill tour of China last year, Sapenter won two silver medals for the U.S. at the 1975 Pan American Games for her efforts in the 400-meter run and the mile relay.

Gainer helped set four national records this past season in the 600-meter relay and she set a 57.25 second national record in the 400-

meter hurdles at the National AAU Outdoor Meet this year in which PVAM placed second overall for the second consecutive year.

The school's top athlete, Bruce, will compete for Jamaica in the pentathlon. She won a bronze medal for her country in that event at the Pan Am Games last year.

If she seems a little more familiar with Olympiad pomp than the others, that's because Bruce went to the 1972 Munich Olympics.

She won the USTFF's 100-meter hurdles last year with an effort of 13.7, the federation's high jump with a 5-8 jump and the long jump with a leap of 21-1 feet.

Cummings is scheduled for the 200-meter run. She was victor of the 100- and 200-yard dashes at the USTFF meet last year with times of 10.8 and 24.4 seconds.

Coach Jacket's transformation of the PVAM club into a powerful national perennial was recognized in recent issues of Black Sports and Jet magazines.

The all-around athlete put the shot, threw the discus and played baseball in her hometown of Port Arthur. In later years at Tuskegee Institute, she expanded her efforts to the 440-yard relay and high and long jumps.

Coach Jacket was picked twice as a coach on AAU teams that went abroad for competition, once in 1973 and again in 1976. She was selected Southwestern Athletic Conference Coach of the Year in 1974 and Billie Jean King Award winner in 1975.

Her squads have swept the Gulf AAU and college conference championships the past several years.
