Student Access to Education Records
All students (and former students) of Texas A&M
University have the right of access to their education
records for the purpose of review, with the exception
of those records prohibited by the Act (see Section

Students have the right to obtain copies of records relating to themselves at the expense of the student. The reproduction charge shall not exceed the actual cost to the University. The University will respond to all requests for explanations and interpretations of records or information, provided the response is not in violation of this Act.

tion of this Act.

The Act provides that a student may waive his right of access to confidential letters of recommendation in the areas of admissions, job placement and receipt of awards. Students seeking employment through the University Placement Office may have signed such a waiver Information concerning the status of such waivers may be obtained from the Director of Placement. Consent to release personally identifiable information, such as rank in class, personal conduct, grade point ratio, academic progress, etc., to non-authorized personnel (see Section IV) shodid be obtained from the student by individuals releasing such information.

nords Not Accessible to Students
Instructional, supervisory, and administrative
personnel records and educational personne
records perfaining thereto in the sole possessior
of the author and not revealed to any persor
other than a substitute (i.e., grade books, note
of observation and notes for recollection pur

uthorized Non-Student Access to Student acords - Under the following circumstances and to e following people, educational records (or per-nally identifiable information within a record) may released without the written consent of the stu-

the student intends "or seeks" to enroll, provided the student is notified of what is being released and given a copy if desired.

OFFICIAL NOTICE

Health, Education and Welfare; administrative heads of educational agencies; or state educa-

financial aid.

State and local officials to whom state laws (in effect on or before November 19, 1974) require information to be reported.

Organizations like Educational Testing Service and College Entrance Examination Board in connection with developing, validating, or administering predictive tests, administering student aid programs, and improving instruction, but such organizations must not show the personally identifiable information to outsiders and the information will be destroyed when no longer needed for audit, evaluation, and/or enforcement of federal legal requirements.

onducted under the procedures adopted and ublished below:

1. The hearing will be conducted and the results decided within a reasonable period of time (seven business days) following the request for the hearing.

2. The hearing will be conducted, and the decision rendered, by an institutional official or other party who does not have a direct interest in the outcome of the hearing. The appointment of the official or party will be made by the Vice President to whom the record custodian reports.

3. The student will be afforded a full and fair opportunity to present evidence relevant to challenging the content of the educational records in order to insure that they are not inaccurate, misleading, or otherwise in violation of the privacy or other rights of students. The hearing also provides an opportunity to correction or deteition of any inaccurate, misleading, or otherwise inappropriate data contained in the record and/or to insert into the record a written explanation of the student respecting the content of the challenged record.

1. The decision must be rendered in writing to all interested parties within a reasonable period of time (seven business days) after the conclusion of the hearing.

the conclusion of the hearing, elease of "Student Directory Information" formation on students, such as date and place of rth, participation in officially recognized activities do sports, weight and height of members of athletic arms, dates of attendance, degrees and awards resived, and the most recent previous educational gency or institution attended, is defined and re-irred to in this Act as "student directory information" his is a category of information and does not refer eccessarily to a publication known as a "directory".

nation be withheld.

lication known as the Texas A&M University tory is one type of periodical containing data iffed as "student directory information". It will in the student's name, address, telephone in major field of study and classification unless udent requests that part or all of the data be

warnere. Periodically the Registrar will publish official notice of the above policy so that students wishing to do so can make requests known to the Registrar fundergraduates) or the Dean of the Graduate College (graduate students). After the official notice has been published, the Registrar will inform offices concerned of the requests received.

VII. Destruction of Records

Texas A&M University constantly reviews "education records" it maintains and periodically it becomes
necessary to destroy certain records. In no case will
the University destroy records it the action is prohibited by state and/or federal law.

A: Students have the right to review confidential recommendations used in applications for em-

recommendations used in applications for employment or for admission to any educational agency or institution, or information concerning honors awarded, except when the student waives, in writing, the privileges of examination Under the Family Educational Rights and Privacy Act of 1974, the student does not have access to confidential letters and statements of recommendation which were placed in the education records prior to January 1, 1975, if the letters or statements are used for purposes for which they were specifically intended.
