Vet conference sponsored by A&M

Where is the line between a veterinarian's ethics and pressure to deliver results? This will be examined by Dr. W. Kingrey of Douglas, Wyo., former dean of veterinary medicine at the University of Missouri-Columbia, during his part of a Sept. 17-18 conference at Texas A&M on ethical problems common to human and veterinary medical practice. He is one of a dozen authorities who will discuss issues such as animal medicine, issues in experimen-

Beekeepers form association to provide information, aid

Brazos Valley beekeepers formed an association last week that will provide information to commercial and amateur beekeepers. Louis Thompson of College Station was elected president of the association. The organization will also give them a place to discuss their problems and ideas. Also during the meeting, John G. Thomas, extension entomologist, gave a short history of beekeeping and presented a film called "Secrets in the Hive". The association will have an organizational meeting October 12 at the County Agent's Office in the Brazos County Courthouse. The meeting will begin at 7:30 p.m. Anyone interested in beekeeping is invited to attend.

Leabo to head undeclared program; 900 seek majors

Clifford J. (Skip) Leabo has been named the first coordinator of Texas A&M University's undeclared majors program, announced Dean of Liberal Arts W. David Maxwell. Leabo, member of the communications faculty, will continue some classroom duties, but his new post assumes administrative duties formerly handled by the associate dean of liberal arts. By first class day of this semester, almost 900 Aggies had registered under the undeclared majors program. Official limit to participation in the program is 30 hours of credit, after which time a student must express a preference.

AVISO PUBLICO

RESUMEN DE LAS ENMIENDAS PROPUESTAS A LA CONSTITUCION ELECCION GENERAL DEL 2 DE NOVIEMBRE DE 1976

NUMERO UNO EN LA BOLETA (S.J.R. 49)

Revocando Secciones 49-d and 49-d-1 del Artículo III de la Constitución de Tejas, S.J.R. 49 enmienda Sección 49-c del Artículo III de la Constitución de Tejas para disponer y autorizar \$400 millones adicionales de bonos para el desarrollo de agua en Tejas que se puede emitir a la aprobación de dos terceras partes de los miembros de cada cámara de la Legislatura para tales fines de desarrollo del agua que la Legislatura pueda prescribir. La enmienda contiene prohibición específica contra el uso de fondos del estado para el desarrollo de recursos acuáticos del Rio Mississippi y también requiere que antes de que pueda encargarse de cualquier proyecto particular para el desarrollo de agua que requiere un gasto de mas de \$35 millones de producto de los bonos, debe de ser aprobado por resolución de la Legislatura. La enmienda remueve el requerimiento constitucional que ciertas rentas deben de ser usadas para retirar bonos para el desarrollo de agua y el encarecimiento de la calidad de agua y remueve el limite constitucional de la tasa de interés en tales bonos. La fraseología de la enmienda propuesta tal como aparecerá en la boleta es lo siguiente: "La enmienda constitucional autorizando un incremento de \$400 millones de la cantidad de Bonos del Desarrollo de Agua en Tejas que podrán emitirse al ser aprobada por dos terceras partes de la legislatura; emmendando y consolidando disposiciones de Secciones 49-c, 49-d, y 49-d-1 del Artículo III de la Constitución de Tejas; y revocando Secciones 49-d y 49-d-1 del Artículo III de la Constitución de Tejas."

NUMERO DOS EN LA BOLETA (H.J.R. 99)

H.J.R. 99 propone una enmienda a la Constitución de Tejas para aumentar de \$100 millones hasta \$200 millones la cantidad principal agregada de bonos para el desarrollo de agua en Tejas que se puede emitir y que están en circulación por el Texas Water Development Board para proveer donaciones y préstamos para la mejoría de la calidad de agua como establecido por la Legislatura. La fraseología de la enmienda propuesta como aparecerá en la boleta es lo siguiente: "Una enmienda constitucional para incrementar desde \$100 millones hasta \$200 millones la cantidad de Bonos de Desarrollo de Agua en Tejas que podrán ser emitidos con el propósito de mejorar la calidad del agua."

Why does a college student need life insurance?

One good reason — it demonstrates financial responsibility. A growing number of employers are looking for this characteristic in prospective employees.

There are many other important reasons. They're all covered in a special booklet: "Why College Students are Buying Life Insurance." For a free copy at no obligation, write or call:

Stereo speaker designs	Watercolor

These workshops are offered free of academic pressures. Come join us and have some fun.

For additional information on workshops call the Craft Shop in the M.S.C. 845-1631.

The Teachings of Jose Cuervo:

"There is white, and then there is white."

If you don't want a ring around your drink, remember this. The first white is Jose Cuervo White. Since 1795 Jose Cuervo has been the first, the premium tequila.

And Jose Cuervo is made to mix best. With cola, tonic, collins, water, orange juice, grapefruit juice, juices and etc., etc., etc.
