TEXAS A&M UNIVERSITY
OFFICE OF THE DEAN OF ADMISSIONS
AND RECORDS

To be eligible to purchase the Texas A&M ring, an undergraduate student must have at least one year in residence, credit for at least ninety-two (92) semester hours and be in good standing with the university. A year in residence may consist of the fall and spring semesters or one of the above and a full summer session (both the first and second terms). The hours passed at the Preliminary Grade Report Period on October 20, 1976 may be used in satisfying this ninety-two hour requirement. Students qualifying under this regulation should leave their names with the ring clerk, Room Seven, Richard Coke Building. This should be done prior to October 20th in order for all records to be checked to determine ring eligibility. This does not apply to students already having ninety-two (92) completed hours on record prior to the fall semester because they may order rings at any time. These orders are mailed during the last week of each month. Graduate students are eligible to order with

der. Anyone who has failed to leave their name in advance will be asked to return later to allow time for records to be checked.

All rings ordered at mid-semester regardless of whether on October 21st, 1976 or December 1st, 1976, will be mailed in at the same time and will be due to arrive here at the Registrar's Office on January 31, 1976.

The ring clerk is on duty from 8 a.m. to 12 noon and 1 p.m. to 5 p.m. of each week, Monday through Friday. However, in order for records to be checked, orders must be placed prior to 11:30 a.m. and 4 p.m.

We hope this information will be helpful and extend our congratulations.

Ford, Carter face off tonight

WASHINGTON - Want to keep your own score of tonight's debate between President Ford and Jimmy Carter? Want to compare notes with the experts? Here's how

Five leading university debate coaches will judge the debate for The Associated Press.

The judging panel patterned their scorecard after the form used by the American Forensic Association for

student competition. Prof. James J. Unger, director of forensics at Georgetown University in Washington, prepared the ballot and the instructions for its use. Unger, whose teams have reached the final round of every major national debate tournament, is a graduate of Harvard Law School and will serve as one of the panelists.

The other panelists are: Dr. Barbara O'Connor, chairman of the Department of Communications Studies at California State University in Sacramento. She directs one of the largest speech programs in the nation.
