**AGGIELAND REFUND POLICY**  
Yearbook fees are refundable in full during the semester in which payment is made. Yearbooks will not be held, nor will they be mailed without the necessary fees having been paid.  
Refunds will not be made on books not picked up within one semester of the publication date (December 17, 1976 for the 1976 Aggie Yearbook).  
This policy takes effect with the delivery of the 1976 edition of the Aggie Yearbook.

**TEXAS A&M UNIVERSITY**  
**OFFICE OF THE DEAN OF ADMISSIONS AND RECORDS**  
To be eligible to purchase the Texas A&M ring, an undergraduate student must have at least one year in residence, credit for at least ninety-two (92) semester hours and be in good standing with the university. A year in residence may consist of the fall and spring semesters or one of the above and a full summer session (both the first and second terms). The hours passed at the Preliminary Grade Report Period on October 20, 1976 may be used in satisfying this ninety-two hour requirement. Students qualifying under this regulation should leave their names with the ring clerk, Room Seven, Richard Coke Building. This should be done prior to October 20th in order for all records to be checked to determine ring eligibility. This does not apply to students already having ninety-two (92) completed hours on record prior to the fall semester because they may order rings at any time. These orders are mailed during the last week of each month. Graduate students are eligible to order with proof (receipt) that they have filed for graduation.

Orders for mid-semester will be taken by the ring clerk starting October 21st, 1976, and will continue until December 1st, 1976. Students not placing their orders during this mid-semester period may order after final grades are posted and the ninety-two (92) hours are completed.  
All rings must be paid for in full when the order is placed. Students will save time if they will bring grade reports along when ready to order. Anyone who has failed to leave their name in advance will be asked to return later to allow time for records to be checked.  
All rings ordered at mid-semester regardless of whether on October 21st, 1976 or December 1st, 1976, will be mailed in at the same time and will be due to arrive here at the Registrar's Office on January 31, 1976.  
The ring clerk is on duty from 8 a.m. to 12 noon and 1 p.m. to 5 p.m. of each week, Monday through Friday. However, in order for records to be checked, orders must be placed prior to 1:30 a.m. and 4 p.m.  
We hope this information will be helpful and extend our congratulations.

Edwin H. Cooper, Dean  
Admissions and Records

Carolyn Wells,  
Ring Clerk

## Suit against Coastal bogs down in hearing

Associated Press  
SAN ANTONIO — San Antonio's \$436 million lawsuit against its gas suppliers bogged down in a hearing yesterday on sticky legal procedures which threaten to lengthen the case.  
The hearing will determine if there is enough evidence to show that Coastal States and its chairman, Oscar S. Wyatt Jr., actually committed alleged fraud in their home county.  
Both Coastal and Wyatt in their pleas claim their case should be in Harris County (Houston) where they both reside.  
Most of the city's documents involved a series of letters exchanged between Wyatt and City Public Service board of San Antonio (CPS) during the 1960s.

## Bike paths sought awaits funds

Building of a comprehensive bicycle-path system may soon be started in Bryan and College Station if the Federal Highway Administration approves funding.  
The funds would be used to provide for a bikeway system throughout the two cities, including the Texas A&M campus.  
Joe G. Hanover, district engineer of the State Department of Highways and Public Transportation said the project has been recommended to Washington, D.C. for consideration.  
The Region VI committee of the Texas Federal Highway Administration received 39 proposals for a total of \$6,070,283 for Bikeway Demonstration funds. Ten of these proposals were recommended by the committee.  
Other Texas communities to receive a Washington permit are Austin, Bellaire and Fort Worth.  
Soviets change name, not status  
Because Soviet Russia has eliminated first or second class rail cars, Soviet citizens and American visitors to the Soviet Union now ride in "soft class" or "hard class" cars.
