TEXAS A&M UNIVERSITY OFFICE OF THE DEAN OF ADMISSIONS AND RECORDS
To be eligible to purchase the Texas A&M ring, an undergraduate student must have at least one year in residence, credit for at least ninety-two (92) semester hours and be in good standing with the university. A year in residence may consist of the fall and spring semesters or one of the above and a full summer session (both the first and second terms). The hours passed at the Preliminary Grade Report period on October 20, 1976 may be used in satisfying this ninety-two hour requirement. Students qualifying under this regulation should leave their names with the ring clerk, Room Seven, Richard Coke Building. This should be done prior to October 20th in order for all records to be checked to determine ring eligibility. This does not apply to students already having ninety-two (92) completed hours on record prior to the fall semester because they may order rings at any time. These orders are mailed during the last week of each month. Graduate students are eligible to order with proof (receipt) that they have filed for graduation.

Orders for mid-semester will be taken by the ring clerk starting October 21st, 1976, and will continue until December 1st, 1976. Students not placing their orders during this mid-semester period may order after final grades are posted and the ninety-two (92) hours are completed.
All rings must be paid for in full when the order is placed. Students will save time if they will bring grade reports along when ready to order. Anyone who has failed to leave their name in advance will be asked to return later to allow time for records to be checked.
All rings ordered at mid-semester regardless of whether on October 21st, 1976 or December 1st, 1976, will be mailed in at the same time and will be due to arrive here at the Registrar's Office on January 31, 1976.
The ring clerk is on duty from 8 a.m. to 12 noon and 1 p.m. to 5 p.m. of each week, Monday through Friday. However, in order for records to be checked, orders must be placed prior to 11:30 a.m. and 4 p.m.
We hope this information will be helpful and extend our congratulations.

Shotgun death probe expands

Widow wants FBI on case

Associated Press
PALESTINE, Tex. — The Texas Attorney General's office has joined the investigation into last week's shotgun slaying of East Texas civil-rights leader Frank Robinson.
Atty. Gen. John Hill announced yesterday that he was assigning Asst. Atty. Gen. Anthony Sandberry to aid in presenting evidence at a Nov. 16 inquest into Robinson's death.
Hill made the announcement after a conference with Palestine Municipal Judge Alexander Nemer, who said he has also invited Dist. Attys. Richard Handorf and Melvin Whitaker, both of Palestine, to assist in the inquest.

Robinson, a retired teacher who successfully fought for reapportionment in Palestine and Anderson County, was found shot to death in the garage of his home here Oct. 14.

He had also helped integrate teaching staffs at nearby schools. Police Chief Ken Berry said he is investigating the death as a homicide, although no formal ruling has been made.
Robinson's widow has asked for FBI intervention in the case and an FBI spokesman in Dallas said a preliminary report was made to the Justice Department.
"The fact that I feel that he and more sophisticated needed doesn't in any way reflect the sincerity and integrity of local police department," she said.
Texas Rangers and agents of Bureau of Alcohol, Tobacco, Firearms have aided Berry's investigation.
