Junior yell leaders review

(continued from page 5)
A variety of people attend, everybody enjoys getting that Aggie spirit. If a student doesn't get chills every time the war hymn is played, there's something wrong with that Aggie.

WRIGHT

Joe Wright, 20, Sophomore, Recreation and Parks major from Seville, Texas.

Joe Wright

What are your qualifications for office?

My major qualification is that I will be able to unify the 12th Man into one big Fightin' Texas Aggie Spirit. I have known and respected A&M traditions for years. While attending an A&M and t.u. football game six years ago in Kyle Field, I was privileged to sit with the 12th Man, and I realized that this wonderful spirit had to be part of my life.

The yell leader is the organizer, leader and spokesman of the 12th Man. Our opponents will get a first impression of A&M by the conduct of the yell leaders and I am sure every Aggie knows that should be one of respect.

What do you consider to be your role in student affairs?

I plan on helping with the orientation of freshmen and transfer students this summer at A&M.

Should yell leaders serve as spokesmen for student athletes?

This question should be left up entirely to the athletes whether they want the team captain or yell leaders to be their spokesmen. The yell leaders' main purpose is to represent the 12th Man.

How would you unify the increasingly diverse student body at Texas A&M?

I was very disappointed when part of the 12th Man left the stands before yell practice at the Tech game. Aggies never give up. It seems some did not know of a yell practice, and not often do Aggies get outscored. If more of the 12th Man would go to the weeknight yell practices, they would know more about the Aggie spirit. The yell leaders are the informants of Aggie spirit and tradition.

HOW TO GET A LIFETIME SUPPLY OF LONE STAR LONG NECKS FOR 84c.

It's a pain to come up with that 84c deposit on your first case of Lone Star Long Necks. But you're home free on every other case you buy.

You can consider them a hedge against inflation. (Instead of putting your money into gold or silver, you shrewdly got into glass-ware.)

You can return them if you want to rub your nickels together again. But you'll probably want to bring them back to the place you bought them. This way you can end up with something even more valuable than a case of Long Necks.

A case of Long Necks full of Lone Star Beer.

You know what this means? A never-ending supply of the legendary Long Neck bottles. Forever. Perpetually eternal. For time.

You can pass them on in your will just like your other worldly possessions.
