

**OFFICIAL NOTICE**

**SENIOR RING ORDERING PROCEDURE**  
OFFICE OF THE DEAN OF ADMISSIONS AND RECORDS

To be eligible to order the Texas A&M ring, an undergraduate student must have at least one year in residence, credit for at least ninety-two (92) semester hours and be in good standing with the University. A year in residence may consist of the Fall and Spring semesters or one of the above and a full summer session (both the first and second terms). The hours passed at the preliminary grade report period on March 23rd may be used in satisfying this ninety-two hour requirement. Students qualifying under this regulation should leave their names with the ring clerk, Room Seven, Richard Coke Building. This should be done prior to March 23rd in order for all records to be checked to determine ring eligibility. (Any student having completed ninety-two (92) hours at the end of the Fall '76 semester may order at any time. There is never a dead-line once the hours have been completed, with the exception of a monthly mailing date.) Graduate students are eligible to order with proof (receipt) that they have filed for graduation. Orders for mid-semester will be taken by the ring clerk starting March 23, 1977, and will continue until April 26, 1977. Students who do not place their order during this period may order after final grades are posted. All rings must be paid for in full when the order is placed. Please bring mid-semester grade reports along when ready to order. Anyone having failed to leave their names in advance and fail to bring grade report will be asked to return later to allow time for records to be checked. The rings should arrive at the Registrar's Office on June 29, 1977. All rings ordered, regardless of whether on March 23rd or April 26th, will arrive at the same time.

The ring clerk is on duty from 8 a.m. to 12 noon and 1 p.m. to 5 p.m. of each week, Monday through Friday. However, in order for records to be checked, orders must be placed prior to 11:30 a.m. and 4 p.m.

We hope this information will be helpful and extend our congratulations.

Edwin H. Cooper, Dean Admissions and Records

Carolyn Wells, Ring Clerk

**A&M Consolidated District expects 30 per cent tax cut**

A 30 per cent decrease in the tax rate for the A&M Consolidated Independent School District is hoped for in 1977, the president of the A&M Consolidated School Board said last week.

W.B. Lancaster, president of the board, said the estimated value of the district would be more than \$200 million in 1977.

The estimated value of the school district for 1976 was \$165,843,697.

This increase of more than \$34 million is partially the result of additional building and construction in the district, said Ole Grauke, assistant superintendent of finance.

"Right now we are on sort of a quarter system. In a month or so, after re-evaluation, everybody's property will be re-evaluated at the same time," Lancaster said.

Tax Assessor-Collector Jewell Ellis said, "Re-evaluation is necessary to equalize the market value in the school district."

With market value, the buyer and seller are both aware of potential

value, usage and faults of the property to be bought or sold.

With re-evaluation of the school district some people will pay more, but actually the tax rate will be less, Ellis said.

He said the reason some people will pay more is because land in the school district has not been re-evaluated since 1965.

The tax rate is based on budget needs for the school district and is changed accordingly, Ellis added.

The tax rate for 1976 was \$1.81 per \$100 evaluation based on 80 per cent of market value.

Ellis said that under the law, everyone is required to place, or render, all taxable property on the tax rolls, except what is expressly exempt such as places of worship or state-owned property.

Privately owned cars, land and money are taxable, Ellis said.

"There is no penalty for not placing money on the tax rolls because there is no real way of finding out how much money a person has, he

said. "The reason for this is only the person who owns money, his banker and the Revenue Service can check son's account.

Rendering cars for taxes not been enforced in the past, because there has not been a convenient way to tax the car. He has not had the personnel him.

Taxes which are not paid Oct. 1 and Jan. 31 are delinquent. Penalty and interest is placed on delinquent taxes beginning in There is a state schedule that describes how much penalty interest is to be charged, Ellis said.

If a person feels his property not been properly assessed, he should meet with the Board of Equalization.

This board is a three-member committee appointed by the board to serve one year.

The Board of Equalization is a decision on the disputed market value, said Ellis.

He said that there is actually way to change the tax rolls to ensure a voice in the amount taxes set by the board, a preliminary budget hearing being held every Thursday in room 7 of the Special Services Building.
