SENIOR RING ORDERING PROCEDURE
OFFICE OF THE DEAN OF
ADMISSIONS AND RECORDS
To be eligible to order the Texas A&M ring, an undergraduate student must have at least one year in residence, credit for at least ninety-two (92) semester hours and be in good standing with the University. A year in residence may consist of the Fall and Spring semesters or one of the above and a full summer session (both the first and second terms). The hours passed at the preliminary grade report period on March 23rd may be used in satisfying this ninety-two hour requirement. Students qualifying under this regulation should leave their names with the ring clerk, Room Seven, Richard Coke Building, This should be done prior to March 23rd in order for all records to be checked to determine ring eligibility. (Any student having completed minety-two (92) hours at the end of the Fall 76 semester may order at any time. There is never a dead-line once the hours have been completed, with the exception of a monthly mailing date.) Graduate students are eligible to order with proof (receipt) that they have filed for graduation. Orders for mid-semester will be taken by the ring clerk starting March 23. 1977, and will continue until April 26, 1977. Students who do not place their order during this period may order after final grades are posted. All rings must be paid for in full when the order is placed. Please bring mid-semester grade reports along when ready to order. Anyone having failed to leave their names in advance and fail to bring grade report will be asked to return later to allow time for records to be checked. The rings should arrive at the Registar's Office on June 28, 1977. All rings ordered, regardless of whether on March 23rd or April 26th will arrive at the same time.

The ring clerk is on duty from 8 a.m. to 12 noon and 1 p.m. to 5 p.m. of each. Week, Monday through Friday. However, in order for records to be checked, orders must be placed prior to 11:30 a.m. and 4 p.m.

We hope this information will be helpful an

The case is straight out of a television drama. A man dies in a state hospital without leaving a will. The heirs discover the man's sister, who is acting as guardian for his estate has given an old scroll to the college Written in Hebrew and supposedly part of the Old Testament, the scroll is given to the district clerk's office until the heirs decide what to do with

Sixteen years later, the scroll is still in the courthouse and has never been translated or validated as authentic Measuring over 40 feet long and

made of sewn sheepskin, the scroll is wrapped in white cloth and tied with Stansell T. Brogdon, a Brazos County resident brought the scroll

into the country about 1945. His sister, Lucy Brogdon, filed and received guardianship of Brogdon's estate on April 22, 1957 after Brogdon was declared non compos menti (not competent mentally). His estate was estimated to be \$8,500. The manuscript was not listed by his sister in his possession.

In November of 1959, Lucy Brogdon gave the scroll to A&M where she had been employed.

On May 2, 1960, Stansell Brogdon died in the State Mental Hospital in Austin, Texas. He was 83 years old. On June 2, 1960, a demand was written or appraise its value
