Aggie backs prepare for Saturday game

Texas A&M coaches instruct the runningbacks on how to execute the Wishbone offense. The Aggies will play each other in the annual Maroon-White game to be held this Saturday at 1:30 p.m. Admission is free for Ag students with activity card.

Relay losses hurt cause

Ags lose to Bears

By PAUL McGRATH
Winning both relay races, the Baylor Bears came from behind to nudge the Texas A&M track team Monday in a rain-delayed dual meet.

Clyde Hart's Bears defeated the Aggies 69-66½ in a meet rescheduled from last Saturday. The Aggies of Coach Charles Thomas will be in Waco again this Friday for the Baylor Invitational.

This was the second dual meet loss for A&M this season, the first being to Rice by two points. The Aggies have won dual meets with Texas and LSU, while also winning the Border Olympics and College Station Relays.

Shifton Baker was the meet's only double winner, taking both hurdles events. He defeated Davy Duncan, perhaps the Southwest Conference's best high hurdler, in the highs with a 13.9. Baker also won the 440-yard intermediates with a 51.8 clocking.

Baker ran the third leg on A&M's sprint relay team which clocked a season's best time of 40.6. Chuck Butler, Ray Brooks, and Phillip Steen ran the other legs as the Aggies were defeated by two-hundredths of a second. The race was critical as the Bears easily won the mile relay. Baylor's sweep of the re-

lays offset A&M's points in the field events.

Texas A&M swept both the discus and the shot put with Steve Stewart throwing his season's best in the discus with a 181-7 foot effort. Frank West was second with a 174-10 foot throw and Tim Scott was third at 165-0 feet.

West won the shot with a 54-11 foot throw. Teammates Randy and Tim Scott were second and third with 54-5 and 51-0 foot tosses.

Brad Blair won the pole vault by again clearing 16-0 feet. Freshman Jerry Strong was third at 15-0 feet. Another A&M freshman placed his name amongst the conference leaders in the javelin. Newsom threw the spear 217-3 feet to win the event.

Brooks won the 220-yard dash, breaking the tape at 21.5. He also placed second in the 440-yard dash with a 48.2, nipped by BU's Geary Harris who ran a 47.9.

Butler placed second in the 100-yard dash with his season's best of 9.6 and was also runner-up in the 220 with a 21.5.

Sophomore Joel Vogt, a converted half miler, won the mile in 4:09.9 while teammate Manfred Kohrs was second in 4:10.6.

The Aggies did not bring a full squad as several of Thomas' top half milers remained home to mend injuries. Baylor took all three places in the half mile, long jump and high jump.

The Bears will play host to A&M, Rice, Houston and SMU as the conference track season heads into its final month of competition. The SWC track meet will be in Austin on May 14.

On April 29 the Aggies will travel to Des Moines, Iowa for the Drake Relays. Hosted by Drake University, the Relays rank as one of the top track attractions in the nation.

Caddies needed for News Media

Golf Tournament

Student volunteers will have the opportunity to earn some spare money this Friday at the University golf course.

Approximately 100 caddies will be needed for the annual Texas A&M News Media Golf Tournament. As in the past, local college and high school students are urged to volunteer as caddies for the tournament.

All golfers, who include media personalities and coaches, will tip their caddies — \$5-10 or more — at the end of the day's round.

Caddies can sign up now in the golf course clubhouse. Males or females may register.

Caddies must be at the golf course by 10:30 a.m. Friday. Play will begin with a shotgun start (four-somes on all 18 tees) at 11 a.m. and end around 3:30 p.m.

At any price you can afford to be choosy.

Because the value of every diamond is determined by four characteristics (cut, color, clarity and carat weight), you can always use these qualities to your best advantage.

Perhaps you're attracted by the grandeur of a large diamond. Well, sometimes a large stone can cost the same as a smaller one. Simply because it has a little more color. Or a delicate birthmark hidden inside.

On the other hand, you may feel size isn't the most important quality. Then you could choose a diamond that's small, but perfectly cut to sparkle with an icy-white elegance.

In any case, you'll be able to find one to suit your personality. Because each one is an individual, with its own combination of characteristics. And you can use these qualities any way you wish, to help you decide what's precisely right for you.

But the important thing to remember is to buy a diamond engagement ring you'll be happiest with. You'll be sharing it for a lifetime with someone you love.

And for that reason alone, you should be choosy.

A diamond is forever.

Prices shown represent retail quotations for these specific rings (enlarged for detail). Your jeweler has many diamonds to choose from and can give you the best guidance. De Beers Consolidated Mines, Ltd.
