SENIOR RING ORDERING PROCEDURE
OFFICE OF THE DEAN OF
ADMISSIONS AND RECORDS
To be eligible to order the Texas A&M ring, an undergraduate student must have at least one year in residence, credit for at least ninety-two (92) semester hours and be in good standing with the University. A year in residence may consist of the Fall and Spring semesters or one of the above and a full summer session (both the first and second terms). The hours passed at the preliminary grade report period on March 23rd may be used in satisfying this ninety-two hour requirement. Students qualifying under this regulation should leave their names with the ring clerk, Room Seven, Richard Coke Building. This should be done prior to March 23rd in order for all records to be checked to determine ring eligibility. (Any student having completed ninety-two (92) hours at the end of the Fall 76 semester may order at any time. There is never a dead-line once the hours have been completed, with the exception of a monthly maling date.) Graduate students are eligible to order with proof (receipt) that they have filed for graduation. Orders for mid-semester will be taken by the ring clerk starting March 23, 1977, and will continue until April 26, 1977. Students who do not place their order during this period may order after final grades are posted. All rings must be paid for in full when the order is placed. Please bring mid-semester grade reports along when ready to order. Anyone having failed to leave their names in advance and fail to bring grade reports along when ready to order.
