Ags bow out of playoffs

A&M continues post-season blues as Michigan takes 13-4

By PAUL MCGRATH
Battalion Sports Editor

Post season tournaments and the Texas A&M Aggies seem to go together like nitroglycerin and a shaky hand. A few mistakes mean the end of everything.

Coach Tom Chandler's squad, winners of the Southwest Conference in regular season play, were eliminated from playoff picture as they took a 13-4 drubbing from the University of Michigan yesterday.

Southern Illinois defeated the Aggies 4-1 in the first game of the rain-delayed Midwest regional. The Salukis defeated hosting Oklahoma, 7-3, yesterday to remain the only unbeaten team left in the double-elimination tourney. Michigan and Oklahoma will now square off for the right to play Southern Illinois to determine the tournament champion.

This is the second tournament in a week in which the Aggies quickly bowed out. The Aggies, closing out their season with a 37-16 record, have lost four games in a row.

Meanwhile, Baylor, winner in the SWC post-season tourney, advanced to the College World Series in Omaha, Neb. with a 2-0 victory over Miami of Ohio. The Bears, reaching the National Collegiate Athletic Association playoffs for the second time in the school's history, are now 41-14 for the season.

In contrast, the Aggies were having trouble reaching first base.

Agie batters were not as explosive as the team batting average of .302 would indicate. A&M obtained only five hits against Southern Illinois and collected a mere half

dozen against the Wolverines.

In only one game, a 9-5 loss to Texas, has A&M shown any of the power it had in the regular season, knocking out 14 hits.

While the hitters were continuing to have problems at the plate, a much-worked Aggie pitching staff demonstrated its fatigue.

Mark Thurmond suffered his second straight loss, only the second for this season, as the Wolverine hitters had a field day.

Michigan scored six runs in the first two innings off Thurmond and added seven more off reliever David Pieczynski. The Wolverines rapped out 14 hits, three of them doubles and a home run by Mike Parker.

After Michigan scored two runs in the first and four in the second, the Aggies responded with a four-run rally in the bottom of the third.

Wolverine starter Craig McGinnis suffered considerable problems, walking four straight batters. A&M shortstop Robert Bonner, an all-SWC performer, slammed a double to deep centerfield to clear the bases.

Kevin Clinton came on in relief of McGinnis to shut down the Aggies

for the remainder of the game. Thurmond finished the year with a 10-2 mark.

Mark Ross, who obtained only one win in the SWC tourney, went down in defeat as Southern Illinois used a nine-hit attack to defeat the Aggies. Mike Hurdle, coach for A&M's only run with a home run.

All in all, it was the same which marked Aggie teams in recent years — cruising straight through the regular season and then failing badly in playoffs.

The only noticeable difference was that this year the Aggies switched spots with perennial conference champ, Texas.

However, the laurels of a conference championship could not save the Aggies of their appearance in the season allery.

Fortunately, the SWC Aggie again represented in the College World Series, although it with a team wearing green and gold instead of the burnt orange and white which had grown so familiar.

But once again, the Aggie was not present.

Blair, Stewart obtain all-America status

Texas A&M's Brad Blair and Steve Stewart won all-America status at the United States Track and Field Federation meet in Wichita, Kan. Saturday.

Blair cleared 17 feet for the second time in his career and had two near misses at 17-6. A&M Assistant Track Coach Ted Nelson said, Stewart threw the discus 181-3 feet to place sixth at the meet.

Blair, a senior, and Stewart, a sophomore, each won their respective events at the Southwest Conference meet and were two instrumental figures in A&M's domination of the field events in the conference this year.

Tim Scott finished seventh in the discus with a throw of 172-8 feet, narrowly missing being named an all-America. Only the top six competitors in each event receive the honor.

Texas A&M's stellar hurdler Shifton Baker had an off day as he failed to qualify in either of the two hurdles events, the 120-yard highs and the 440-yard intermediates.

Baker, who ran a 50.3 in the intermediates last year and was — the SWC champ this year, ran a comparatively slow time, clocking a 52.0.

He drew a bad lane in the high hurdles and was forced to run next to the stadium wall. Baker injured his left hand against the wall, possibly fracturing it. He finished the race with a time of 14.1.

The four Aggies will fly to Champaign, Ill. today for the National Collegiate Athletic Association track meet which starts Thursday.

The national meet will continue through Saturday with Washington State, Arizona State and the University of Texas-El Paso picked as the favorites for the team title.

Ags place seventh Georgia repeats as tourney champ

Defending champion Georgia overcame a two stroke-lead by the University of Houston to capture the team title of the Southern Intercollegiate golf tournament.

The Bulldogs, led by individual champ Chip Beck, posted an 864 score over the 54-hole tourney at the Athens Country Club. The par 72-6, 749 yard course is the Bulldogs home course.

Coach Dave Williams' Cougars finished six strokes behind Georgia with a 870. Houston had come back from a 10 stroke deficit on the second day of the tournament to gain their two stroke margin over the Bulldogs before the final round began. The Cougars, winners of the Southwest Conference, placed second for the second consecutive year.

Texas A&M, with Dave Ogrin posting a team best score of 217, tied North Carolina for seventh place at the tourney with a team score of 894, 30 strokes behind the winners. Ogrin was riding third in the individual races after the first day of competition with a 69.

A&M's Monte Schauer took second place in the individual standings during round two with scores of 70 and 72.

Coach Bob Ellis' Aggie runners-up in the SWC, trailed Georgia after the first day, posted a team score of 285 to the Bulldogs' 281. Had the Aggies maintained that pace they would have won the team championship.

Beck won the individual title the second year in a row, with a course record score of 67 on the day. He ballooned to a 74 in the second round of play and scored 69 Friday for a 210 total.

Teammate Robert Donald placed second at 214 while Cleveland Walsh, Marshall's Lee and Houston's Ed Fiori placed third, all with 216's.

In the team race, Indiana placed third, Marshall was fourth and tucky was fifth. East Tennessee placed with Kentucky, lost in a tie to place sixth.

Jr. Olympics registration starts June

Registration for the Junior Olympic Program will begin Wednesday in the A&M Consolidated School gymnasium.

Registration is 9 - 10:30 a.m. 6 - 7 p.m. Wednesday through Friday.

This is the tenth year the Olympics, has been sponsored by the A&M Consolidated School Education Program. The program is for persons of all ages interested in track and field events.

The Junior Olympics start at 8:30 a.m. on Texas A&M Field. Registration will cost \$14 individual and \$14 per family.
