# Baylor loses

Minnesota eliminates last SWC team

United Press International  
OMAHA — Minnesota, Southern Illinois and South Carolina all won Monday at the 31st College World Series at Rosenblatt Stadium.  
Minnesota's Mike Bruss doubled in the winning run in the Golden Gophers 4-3 victory over Baylor, the Southwest Conference tournament winner, while Southern Illinois Neil Fiala accounted for all of the team's runs in a 3-2 defeat of Arizona State.

In the nightcap, South Carolina righthander Jim Lewis struck out 14 California State-Los Angeles batters to lead the Gamecocks to a 6-2 win.  
It took only 11 minutes to complete a game between Baylor and Minnesota, which was suspended Sunday by thundershowers and was resumed Monday in the 11th inning.

In explaining his game-winning hit, Bruss said, "I hit a change-up that hung right in my eyes. I'm cer-

tain that was a mistake by their pitcher John Schott."

The Baylor Bears, who ended the season with a 43-15 record, came out on the losing end of two extra-inning games. South Carolina's Chuck McLean smacked a two-run homer in the 10th inning Saturday to defeat Baylor 3-2.

Minnesota righthander Dan Morgan, who pitched 10 of the 11 innings, picked up the win to keep his record spotless at 10-0. Southern Illinois coach Dick Jones praised pitcher Dewey Robinson's performance against Arizona State.

"Dewey was simply fantastic. He hasn't thrown probably more than three innings in the last month, yet he goes out against one of the best hitting teams in the country and pitches a complete game," Jones said.

Arizona State Bob Horner connected for his 21st home run to tie him for the nation's college lead.

The homer also set a new Arizona State record, breaking the old record of 20 by Jerry Maddox in 1975.

"I was thrilled by the homer but it loses a lot because of the defeat," Horner said.

The series fifth session attracted 9,641 fans, bringing the total attendance to 40,008, which is 5,364 more than the five session total for last year's record-setting period.

# Edgar Fields inks pact with Atlanta

Former Texas A&M defensive tackle Edgar Fields signed a one-year contract with the Atlanta Falcons the club announced Monday.

Fields was a third round draft choice by the Falcons.  
Atlanta Head Coach Leeman Bennett says Fields will give the Falcons "added versatility along the line."

The 6-2, 250 lb. Fields was

one of the prime reasons Texas A&M defense ranked among the nation's best for the past three years and was the Falcons' leading pass rusher during his college career.

He played both at defensive tackle and defensive end while at A&M.

"We think he has potential at both positions," Bennett said.

# Kansas City Royals make Otis Birdsong first choice

United Press International  
KANSAS CITY, Mo. — Otis Birdsong, the all-America guard from Houston and the nation's highest scoring senior last year, is expected to share guard duties for the Kansas City Kings next season, coach Phil Johnson said Friday after making Birdsong the King's No. 1

pick in the annual NBA draft.  
Birdsong, 6-4, who scored at a 30.3 average, was the second player chosen, going right behind Kent Benson of Indiana, who was picked by the Milwaukee Bucks.

There was little doubt about who the first two selections would be since the Bucks and Kings had flip-

ped a coin two months ago to determine who would make the selection. Birdsong will be the 3 guard behind Ron Boone and Lucias Allen, Johnson said.

"Ron Boone and Lucias Allen are both proven guards and I know can learn a lot from both of them," Birdsong said at a news conference. "I'm happy to go with a team with a lot of young talent. When you have a lot of young talent, you can do a lot of things — like run."

Birdsong also expressed admiration for Johnson. "The year before so the coach-of-the-year award 1976 Oklahoma I watched him," he said. "He's got a good reputation."

The guard ranks second in scoring at Houston, behind Elton Hayes. He scored 1,090 points last season while shooting 56.9 per cent from the field.

Although the Bucks signed Birdson immediately — actually before the draft even started — Birdson and the Kings haven't started negotiating.

"We really haven't talked contract yet because they are trying to get the draft over," said Birdson. "We'll probably talk next week, just have to play it by ear and what comes up."

He said he's looking forward to playing in the pros. "The big thing will be endurance, playing more games, being more physical and travel. If I can get through the three things, it will be all right."
