SCHOOL SUPPLIES

This department is stocked with required school supplies and various items such as pens, lamps, etc. to make your school work easier.

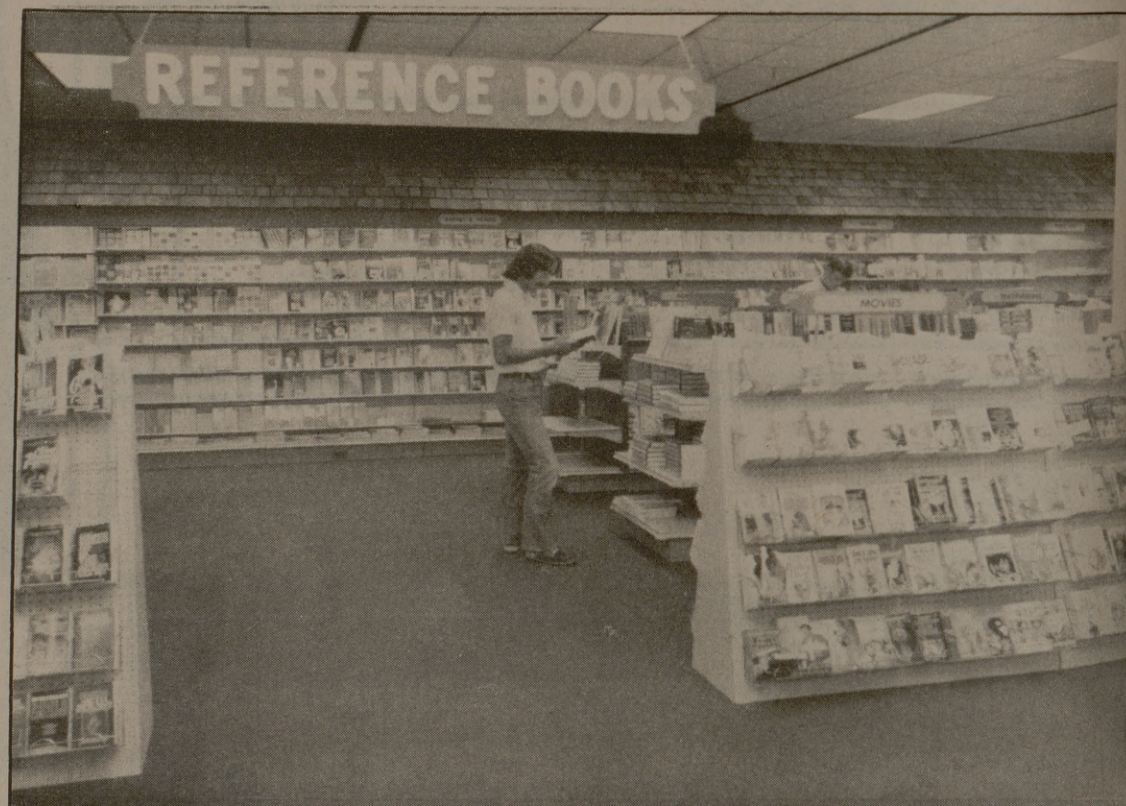

CLOTHING DEPARTMENT

Our clothing department is filled with a current line of fashionable mens and womens clothing and accessories.

The folks who work in the Texas A&M Bookstore are mighty glad to see the campus crowded with Aggies for the opening of the 1977-78 school year. While you have been busy in various jobs, hobbies and travels during the summer, our buyers have searched the markets far and wide to assemble one of the largest, finest and most complete stocks in our history. We are literally stocked to the ceiling, awaiting your inspection.

Our profits, over and above capital needs, are returned to the student body for providing recreational facilities on campus.

REFERENCE BOOKS

This is the newest department in our store. Here you will find many books related to the various courses taught at A&M. Quality paperbacks are also offered here.
