Some of the courses include cake decorating, woodshop, yoga, typing, drapery-making, tennis and photography. English as a second language is taught, as well as French and Spanish. Students can learn motorcycle maintenance, karate, twirling, cardio-pulmonary resuscitation, painting, ballet and first

The classes run in eight-week sessions, and fees range from \$6 to \$10 per class.

Courses held within the school district will be offered at A&M Consolidated High School and Middle School, at South Knoll and College Hills elementary schools, and at A&M Consolidated Special Services building.

Registration for all classes will be Tuesday, Sept. 13, at A&M Consolidated High School. Those who reside within the school district or

### CAP seeking missing planes

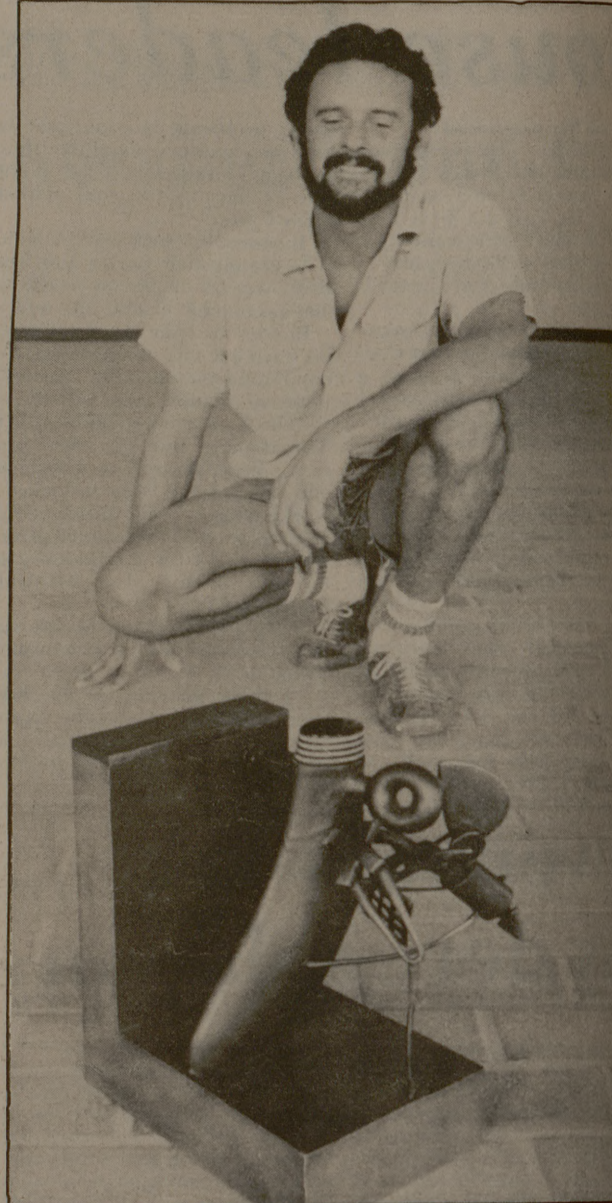

**United Press International**  
SAN ANTONIO — A total of 25 search aircraft spread from the Rio Grande Valley into Oklahoma yesterday looking for two missing light planes carrying a total of four persons.

Lt. Bill Schneider, flight operations officer of the 19th Civil Air Patrol Group, said a Cessna Skymaster with one person aboard disappeared Monday on a flight from Waco to the Rio Grande Valley, and a Piper Arrow carrying three persons also was reported missing Monday en route from Harlingen to MacAlister, Okla.

Schneider said J. Edwards Jr., 35, Oalhe, Kan., his son, Bradley Edwards, 13, and a woman identified as Joyce Brandon were aboard the aircraft which was last sighted on the Houston radar screen at 3:15 p.m. Monday in the area of Bryan-Hearne in East Texas.

He said Larry Wade Gilley, 38, of Dallas, was on a roundtrip flight from Waco to the Lower Rio Grande Valley and it was not known whether he was still en route to the Valley or returning to Waco when the plane was reported missing.

Civil Air Patrol units from McAllen, Waco, Temple, San Antonio and MacAlister, Okla., joined in the search.
