**Bears need winning season**

United Press International  
WACO — Baylor coach Grant Teaff gave Bears fans an awful lot of real quick after he took over the club in 1972.

Three years after Grant's arrival in Waco the Bears won the Southwest Conference championship for the first time in 40 years.

But during the two years since Baylor has produced a 10-9-3 record and has not been back to a bowl. So have the area residents lost interest as the one-time darling of underdog fans.

"Lord, no," said Teaff. "Quite the opposite. We have sold more season tickets this year than we ever have even though we are picked no better than sixth in the league.

"I've never seen the excitement like we have. And it's the solid kind of support."

Baylor has sold more than 10,000 season tickets this season, up almost 1,000 from last year, and the foot-

ball-mad fans have already contributed more than \$7,000 to the scholarship fund this year.

"We have a deal every year called 'meet the Bears,'" Teaff said. "We have folks come out to a dinner and visit with the players. They pay \$7 to come.

"This year we had 1,000 people come out to that even though most of the players there had never played in a varsity game before."

So enthusiasm has now dwindled in Waco. Now all the Bears have to do is to produce another bowl team and things will really get out of hand.

And to have a winning team this season the Bears need to have someone produce at the quarterback spot. Teaff has chosen to go with sophomore Sammy Bickham, but, with only a week left before the Bears' opening game against Texas Tech, Bickham was on the injured list.

"Sammy has a separated shoulder," said Teaff, describing an injury which usually keeps a player out for weeks and weeks. "Fortunately, it is only slightly separated and it is on his right shoulder, Bickham is left handed.

"The doctors think he will be able to work out during the week before the Tech game. But the loss of work has hurt.

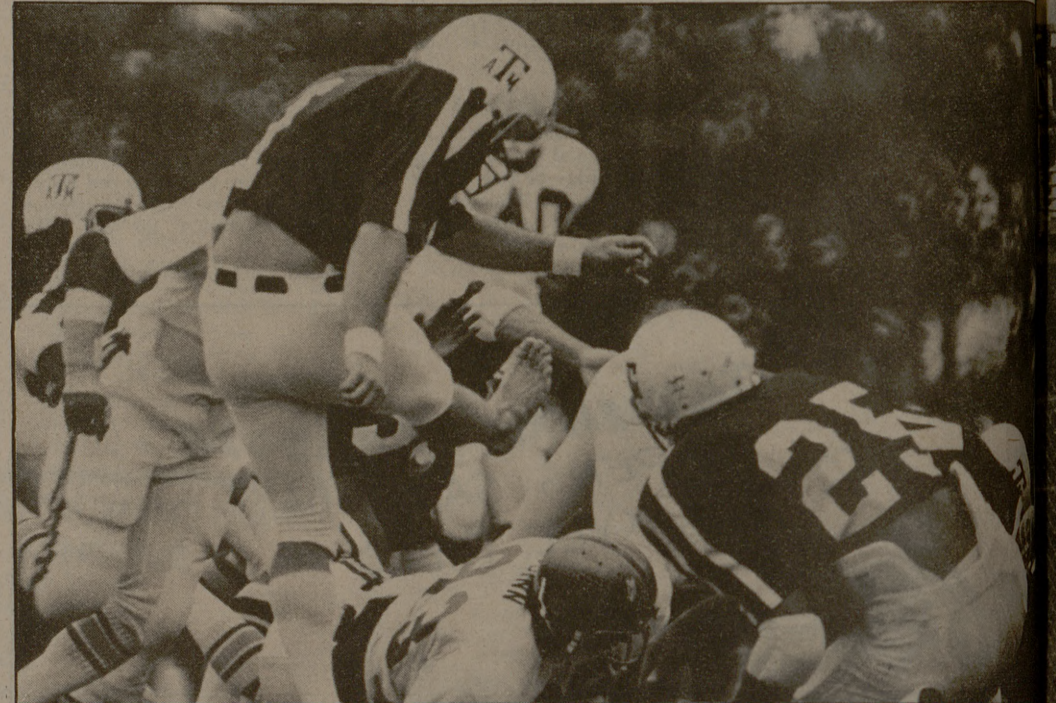

"Sammy was making a whole lot of progress during two-a-day workouts. He missed spring training because of baseball, but he worked very hard in competing with Greg Wood, another sophomore. But, finally we had to say 'ok, this is the one we are going to start with.' And we have done it."

Opening the season against one of

the teams expected to contend the Southwest Conference obviously not what Teaff would want if he had any say about it.

Last season Houston was the Baylor schedule and Cougars surprised the Bears.

"The very opposite could be this year. We have a very inexperienced team.

*A record breaker*

Tony Franklin will be a key figure for the Aggies this season. His record breaking boots helped the Aggies overcome a somewhat dis-

mal start last year. If A&M is within 70 yards of the goal posts, Bellard may call upon M. Franklin.

**Rangers fall further behind**

United Press International  
ARLINGTON — With New York whipping everybody they see American League East lately with the Kansas City Royals, the Rangers Sunday night and ton manager Don Zimmer's victory symbolized the team's battle of survival.

And it was Boston who struck the Yankees with an 8-4 club the Red Sox Sunday night and ton manager Don Zimmer's victory symbolized the team's battle of survival.

"The Yankees have played heck the last few weeks and stayed within range," Zimmer said. "We have five games left with and we are four games down in the loss column. This is no time throwing in the towel.

"New York has everything for it, but 20 days ago Tex streaking and they thought could win the pennant. The might. But it just showed maybe things will not go so all the time for New York."

The Rangers, suffering their second straight loss to Boston, must go off to Minnesota for a knockout duel with a Western division challenger.
