### Oilers scoot past Packers

United Press International  
GREEN BAY, Wis. — Linebacker Willie Alexander returned an interception 95 yards for a touchdown with just 4:40 left in the game to lift the Houston Oilers to a 16-10 victory over the Green Bay Packers.

The victory was Houston's first without a loss. The Packers were 1-1.

Alexander caught the ball which was tipped by end Al Bredy — in front of running back Steve Wagner and streaked down the sideline for the winning score.

A blocked punt by the Oilers set up the Oilers' score. Lynn Dickey's 40-yard pass to Steve Odom early in the quarter. Odom caught the ball on the sideline, waited for center McCarron to throw a block in the end zone and ran for the score.

The Packers drove to the end zone on their final possession, but Dickey's pass over the middle was intercepted by linebacker Ted Washington.

# McDONALD'S INTRAMURAL HIGHLIGHTS

## Date for Bicycle Races Set

The Intramural Office and the A&M Cycling Team are joining forces to present the Student Body Bicycle Races this fall. The races, which are open to students, faculty, and staff, are set for Saturday, October 22, at 2:00 p.m. The site for competition will be the street encompassing the A&M Drill Field. The area will be closed off to traffic for the event.

Options for competition are the following:

CLASS	RACE	DISTANCE
A	Men's Open	20 laps (10 miles)
B	Men's under 28 lb. division	12 laps (6 miles)
C	Men's over 28 lb. division	8 laps (4 miles)
A	Women's division	5 laps (2.5 miles)
A	Team division	20 laps

Each competitor may ride in one individual race and in one team race. All USCF licensed riders must enter the "Open" division for their individual competition. The team race will consist of 2 riders and one lap counter. Bicycles must be furnished by each cyclist; a ten speed is recommended. All handles must be plugged and shoes must be worn.

Awards will be given for the first place in each division. The IM Office is providing All-University T-shirts for all winners; while the Wheel World, sponsors of the A&M Cycling Team, is donating trophies.

Entries open Monday, September 26, and will close Tuesday, October 4. To register for the special event, cycle over to the Intramural Office at DeWare Fieldhouse. For more information call 845-7826.

## Flag Football Kicks Off

The flag football season got underway Monday and from all reports the participation and competition is good. There have also been good reports on the mostly rookie staff of officials. Remember, these people are trying to do a good job so, please cooperate. The football leagues will consist primarily of 4-team leagues but all leagues will play at least 3 games. Everyone goes to the playoffs so, don't despair if your preseason isn't too good. Playoff competition

will be single elimination and teams will be shifted out of the AB and BC classes according to their win-loss record. Games will be played Monday thru Thursday and Sunday afternoons.

## Hacker's Tournament Begins

Tennis singles court play began Monday and the turn out was very pleasing. Players are reminded to check by the IM Office well ahead of time for match time, place, and opponent. Dorm and Corps unit directors are encouraged to keep their people on top of scheduled matches. Before the match begins be sure to check in with the court-side official and also report your scores afterward. Most of the courts are scheduled for intramurals up until 11:00 p.m., however, matches may be played earlier than scheduled times if arrangements are made through the IM Office.

Keith Hanney, QB for "Walton Red," lets one fly just in time to avoid the airborne rush of "Dunn Four." Both teams are participating in Class AB competition of the men's independent division.
