**"OFFICIAL NOTICE"**  
SUBJECT: Filing Deadline Dates for Financial Aid  
TO: All Students, Texas A&M University

The College Scholarship Service Financial Aid Form serves as the financial aid application at this University. To insure that financial aid funds are available at the beginning of the academic periods below, the following deadline dates for filing the Financial Aid Form are announced for your information and appropriate action:

Period	Last Mailing Date for Financial Aid Form	Last Date Financial Need Analysis Reports Will Be Accepted
Summer Session (12 weeks, only)	January 1	January 15
An Academic Year	April 1	April 15
Fall Semester, Only	April 1	April 15
Spring Semester, Only	September 1	September 15

\*The Financial Need Analysis Report is provided to this office by the College Scholarship Service and is based on information contained in the Financial Aid Form. Normal processing time for a Financial Aid Form at College Scholarship Service (including mail time) is about two (2) weeks. Therefore, you should mail your Financial Aid Form to College Scholarship Service to allow sufficient time for proper processing and mail time.

Applicants for financial aid from Texas A&M University have to compete for limited funds. Deadlines are established so that all applicants are treated fairly and equally, without last minute haste. Financial Aid Forms submitted after the dates shown above will be processed only if time permits and funds are available.

**Hirsch talks on growing**  
Gerontologist Gerald P. Hirsch of Oak Ridge National Laboratories will lecture at Texas A&M University Friday on "Theories of Aging — Trying to Understand Why We Become Old."  
The free lecture is scheduled for 3 p.m. in 206 Memorial Student Center.  
Hirsch's visit to Texas A&M, part of a five-campus tour of Texas universities, also includes a Thursday for students on cell turnover. That lecture is 4 p.m. in 205 Oceanography Meteorology Building.  
Hirsch's talk will focus on studies of aging. There is evidence that in the next 20 years, such studies might have maximum life expectancy in United States another 10 years, approximately 80-85 years of
