# Free enterprise gets boost from \$1.07 million in gifts

Private contributions and pledges to Texas A&M University's Center for Education and Research in Free Enterprise now total more than \$1 million, announced Robert L. Walker, vice president for development.

A \$100,000 endowment from Mr. and Mrs. T. B. "Brockett" Hudson of Houston and five grants totaling \$22,200 have been received by the one-year-old center.

Walker said the center now has commitments for \$1.07 million from individuals, foundations and corporations.

Hudson, president and founder of Southwest Chemical Services Inc. of Houston, said the gift represents the couple's concern that public ignorance will destroy free enterprise in the United States.

"We've been worried for some time about free enterprise," Hudson said. "The public has a misunderstanding about our basic individual freedoms and responsibilities. We believe in private industry, open competition and minimum governmental controls."

Other recent gifts include:

- \$5,000 from Dave Fox of Dallas, chairman of the board, president and chief executive officer, Dresser Industries Inc.
- \$5,000 from Donald M. Kendall, chairman of the board and chief executive officer, PepsiCo Inc.
- \$1,200 from Kline Partners Inc., Houston architects.
- \$1,000 from the Kellogg Co. Battle Creek, Mich.

**When our workers sit down to lunch they sit down to a tradition. When they make Cuervo Gold it's the same.**

Every day at just about eleven the wives from Tequila arrive at the Cuervo distillery bearing their husbands' lunches. Lunches that have been lovingly prepared in the same proud manner since men first began working here in 1795. It is this same pride in a job well-done that makes Cuervo Gold truly special. Any way you drink it, Cuervo Gold will bring you back to a time when quality ruled the world.

A HANDFUL OF GIRLS  
A HANDFUL OF GUYS

A SUMMER'S WORTH OF WARM SUNSHINE DAYS  
IM ENTRY BLANKS AS NEEDED

Blend the girls and guys carefully into the same situation and mix with the days. Add IM entry blanks to taste. Yields many pleasant experiences, good exercise, lots of fun, and possibly an IM All-University Champion t-shirt.

Bake your own sunshine pie this summer with co-rec intramural sports. We provide the pie shell and you fill it with your own choice of fillings and top it off any way you want. Entries for the first session open June 6, close June 8 and play begins June 12. Second session events open July 13, close July 17, and begin play July 19. Entry blanks and information are available at the IM Office, DeWare Fieldhouse phone 845-7826.

Choice of fillings for the first summer session include slow pitch softball, 3-man volleyball, racquetball doubles, cross country, and 3-man basketball. Second session choices are slow pitch softball, 3-man volleyball, tennis doubles, golf doubles, 3-man basketball, and horseshoe doubles. Don't hesitate — fraternize, socialize — recreate with a playmate. Play co-rec intramurals and have a jolly good time. Now that's entertainment.

P. S. Teams for team sports will be limited so events can be concluded during the summer sessions. So, don't wait. Hurry down on June 6 to sign up for your favorites.

**At The Swimming Hole**

At this writing not all of the water polo championship games have been played. We do have some winners and the finalists. Here are the names of both. Congratulations to all winners and participants (especially for making it through "dead week").

**Ref's Corner**

Wanted: intelligent individuals interested in sports. Must be willing, able, and interested. Must like people. Come see James Welford at the IM Office in DeWare Fieldhouse about a job as a summer referee. Will train. No experience needed. Apply before June 8.

**IM SPORT SHORTS**

IM will be active during the summer. Men's, women's, and co-rec teams will be formed, although team entries will be limited to insure completion of each tournament before the end of the summer session.
