Once Again, Welcome Back!

It's the fall of 1978 and the Intramural Office has another year of fun-filled sports programming planned. Returning Aggies will find many of their old favorites among the agenda. We hope the new Aggies will check out our sports to find some activities to suit them, as well.

Last year the intramural program continued to grow and more growth is expected this year. The intramural staff feels this is due to our attempts to provide appealing and satisfying programs for almost every individual. We hope all Aggies will sample and join in our organized sports tournaments as well as our free play recreation opportunities.

The intramural staff is dedicated to serving you, the participant, to the best of our ability. We believe that winning should not become more important than the joy of participating in a chosen sport. You can help us by entering each activity with a healthy, fun-oriented attitude to promote good sportsmanship, and make every experience in intramurals a good experience.

Come join in the 1978-79 intramurals. We really do have a game for all seasons. Our office in DeWare Fieldhouse is open 8 a.m. to 5 p.m., Monday-Friday.

Specialize With Sports Clubs

Those Aggies who are interested in higher competition in a particular sport may find greater satisfaction in one of our many sports clubs. These are recognized campus organizations operated by TAMU students, competing on the intercollegiate level with other institutions around the state and country. They practice on a regular basis on or in university sports facilities and are coordinated through the intramural office.

Each fall these clubs recruit interested students, faculty and staff to participate in and support their particular club. Ask in the IM office, DeWare Fieldhouse, 845-7826 for information on one of the following clubs:

"MAY I CHECK YOUR I.D.?" This question quotes the frequent request of the facility supervisors at DeWare Fieldhouse, Rollie White and the tennis courts. TAMU students, faculty and staff must show their university identification card before entering or using the sports facilities. One guest is allowed per current TAMU I.D. card. Please help our supervisors by having your card ready for them to check as you enter the facilities.
