Milchem Incorporated is a major oil well service company providing drilling fluids, equipment and engineering services to the oil industry worldwide. We are also a wholly owned subsidiary of Baker International Corporation.

Because of the growth of our organization, Milchem is adding Technical Service Representatives to the staff. As a Technical Service Representative, it will be your responsibility to analyze, recommend and maintain the right drilling fluid to accomplish a successful drilling operation. This is an increasingly complex task and requires traveling to the well site for evaluation 7 days a week, while being on call 24 hours a day. Offshore representatives will work a 7 day on/7 day off schedule.

Milchem is looking for competent people to service the company's superior drilling fluid products industry-wide. We need the kind of people who like to solve problems, are independent, eager to learn, able to communicate and are not afraid of hard work and long hours. We offer an 8 week technical training school in Houston. Texas plus additional training at the Houston, Texas plus additional training at the

Here is your career opportunity to join a leader in the petroleum industry. Milchem Incorporated can offer you a career, job challenge and a comprehensive benefits package. Interested? Contact your college placement center.
