Men's Water Polo	Beaumont	Nov. 8
Women's Water Polo	Tucson, Arizona	Nov. 18

#### Team Handball — A Special Symposium

The A&M Team Handball Club is hosting a very special seven day symposium with speakers who are known nationally and internationally. Stan Modrowski and Dan Foster will be instructing the Feam Handball Club and interested persons in the latest developments in the sport of team handball.

Team handball is a sport relatively new to the United States, and to A&M University. Many of the skills and strategies are similar to basketball, however, the goals are very large and require the use of a goalie. It is a fast moving and exciting sport for men or women and has been an olympic sport for some time.

Stan Modrowski and Dan Foster are internationally experienced in ream handball. Stan was a member of the Polish National Team in 1973 and 1975, and the Polish Olympic Team in 1972 and 1976. He also coaches the Polish Junior Olympic Team and will be the coach for the 1980 Polish Olympic Team. The U.S. Olympic Committee has commissioned him as a foreign expert, to conduct symposiums in the United States. Assisting Stan, is Dan Foster. Dan was a member of the U.S. National Handball Team from 1972 until 1977 and was head

coach of the Saudi Arabian Olympic Team in 1976.

The symposium will be held daily from 5:00 p.m. until dark, starting on Tues., Nov. 7 until Mon., Nov. 13. The Saturday session will neet all day. The location for all of these sessions may vary. Information can be obtained through contacting the Intramural Office in DeWare Fieldhouse, 845-7826.

"I-Spy" Participant Of The Week

John Moore seemed to enjoy this jump ball as M-1 played I-1 in a game of flickerball last week. John should come by the I.M. office to pick up his "Be Our Guest" card, redeemable for free food at McDonald's.

Volleyball

Volleyball schedules will be

posted after 2:00 p.m. Monday,

November 6. Playoffs begin

Tuesday, November 7. Re-

member to check the schedules
