INFLATION FIGHTING ideas

Join with your Safeway Store in the
FIGHT AGAINST INFLATION . . .

President Carter has asked his Cabinet officers to take aggressive action to slow the rise in consumer prices. They were asked for specific suggestions on what consumers themselves can do to cope with the problem of inflation.

The U. S. Office of Consumer Affairs has issued guidelines to help minimize the impact of inflation on their daily lives.

Safeway Pledges full cooperation with the U. S. Government in battling this number one domestic problem. As tangible evidence of that support, Safeway will publish weekly inflation-fighting ideas, suggesting ways in which you and your family can shop better for less money.

Some of the subjects to be covered are: Saving on "private labels" such as Safeway Brands; Making Unit Pricing work for you; Cooking from "scratch"; Seasonal produce bargains; Best use of your freezer; Advertised and unadvertised specials; Planning family meals, and many others.

Next week # 1 in this on-going series:
"WHAT'S IN A NAME?"

together, we can be
INFLATION FIGHTERS!
