## "No Frills - Lower Bills"

This is the title of one  
article in an official leaf-  
let published recently  
by the U.S. Office of  
Consumer Affairs. The  
article points out that  
shoppers can often  
save by buying lesser grade foods that are still per-  
fectly safe and nutritionally equivalent to national  
brands or "private labels."

Safeway's own new economy brand is **SCOTCH BUY**  
BUY in the bright plaid label. It's a real inflation  
fighter! Each Scotch Buy product carries Safeway's  
SEAL OF GOOD QUALITY and is uncondi-  
tionally guaranteed to please in every way or your  
money back. When an  
item's appearance is  
less important, choos-  
ing from Safeway's  
lower cost Good Qual-  
ity category makes a lot of sense. Some of our  
Scotch Buy products are manufactured or pro-  
cessed by Safeway; others are made to our good qual-  
ity specifications by approved manufacturers and  
processors.

Get to know Safeway's thrifty new Scotch Buy  
brand . . . in everything from mayonnaise to paper  
products, canned goods to cleaning items.  
"Scotch Buy ain't fancy but it sure is good!"
