A Safeway service in support
of suggestions from the
U.S. Office of Consumer Affairs
**INFLATION
FIGHTING
ideas**
"Be an 'Eggs'pert"
When buying
eggs, the U.S.
Office of Consumer Affairs
suggests that
you should
look at the
price differential among small, medium,
large, extra large and jumbo. According to the
Office of Consumer Affairs, if the difference
between one size and the next is seven cents
or greater, the smaller size egg is the better
buy.
The versatility of eggs, their popularity and
their relatively low price makes them one of
your most potent inflation fighting meal-
makers. Hard-boiled, they're perfect in
brown bag lunches or in the picnic hamper.
Halved and deviled, eggs add flavor and in-
terest to almost any meal.
Next week's Inflation Fighting Idea:
"SAY CHEESE"
together, we can be
INFLATION FIGHTERS!
