SENIOR RING ORDERING PROCEDURE FOR STUDENTS COMPLETING 92 HOURS AT THE END OF THE SPRING '79 SEMESTER

To be eligible to order the Texas A&M Senior Ring, an undergraduate student must have at least ninety-two (92) semester hours, with 30 hours at A&M and be in good standing with the university. To order at mid-semester using mid-semester grades to fulfill the above requirements, please note the following instructions:

- Mid-semester orders will be taken only from March 20th until April 27, 1979.
- Leave your name, major and I.D. number with the ring clerk, Heaton Building, prior to March 20th if possible, or at least one week in advance of ordering. This may not be done by phone.
- Bring mid-semester grade reports along when ready to order to verify passing hours for the spring semester only.
- Anyone having failed to leave their name in advance and fail to bring their mid-semester grade report along when ready to order will be asked to return later to allow time for records to be checked.
- All rings must be paid for in full when the order is placed. Senior ring loans are available through Student Financial Aid in the YMCA building.
- Students who do not place their order during this period may order after final grades are posted. There will be only a 1-2 week difference in delivery time for those students ordering after final grades are posted during May. (Whenever 92 hours have been completed and are on record, there is never a dead-line, except a monthly mailing date on which we send orders to the factory.)
- The ring clerk is on duty from 8 a.m. to 5 p.m. each day, Monday through Friday. However in order for other duties to be carried out, no orders will be taken between 11:30 a.m. - 1:00 p.m. or between 4:00 - 5:00 p.m.
- All rings ordered, regardless of whether on March 20th or April 27th, will be delivered on the same day which will be approximately July 18, 1979.
