MSC Council will honor top achievers at banquet

By BETH YOUNG
Battalion Reporter
The highlight of the 28th Annual Memorial Student Center Awards Banquet, set for 6:30 p.m. Saturday in the MSC Ballroom, will be the naming of this year's winner of the Thomas Rountree award, the highest honor given by the MSC Council and Directorate.
Each year a plaque is awarded to a member of the MSC Council and Directorate who has shown outstanding achievement in his work on the Council as well as other activities.
Ann Landis, director of public relations for the Council, said, "Usually this award goes to the student who has not only accomplished a lot, but brought prestige to the Council

and the University."
Other awards to be given include outstanding committee member, appreciation awards, first, second and third-year awards, outstanding and meritorious service certificates and a special projects award, the J. Wayne Stark award.
"There will also be a distinguished service award given to a faculty member on the Council," Landis said.
Lynn Knaupp, council member in charge of the banquet, said that winners are selected by an awards committee made up of students from the Council, three faculty members of the Council and a former student.
"There are 20 committees in the Directorate and winners are chosen

from here as well as some special committees," Knaupp said. "Committees on Aggie, Video tape are on the MSC and Directorate."
Landis said that an addition at the banquet will be a presentation by Roger Mas and Ron Robertson, "SPO Update."
"It's a candid camera which features members of Council and their activities," she explained.
"The old president, Roy will open the meeting at 'state-of-the-union' message," Brooks Herring, president, will adjourn the banquet."

SPECIAL NOTICE
SENIOR RING ORDERING PROCEDURE FOR STUDENTS COMPLETING 92 HOURS AT THE END OF THE SPRING '79 SEMESTER
To be eligible to order the Texas A&M Senior Ring, an undergraduate student must have at least ninety-two (92) semester hours, with 30 hours at A&M and be in good standing with the university. To order at mid-semester using mid-semester grades to fulfill the above requirements, please note the following instructions:
1. Mid-semester orders will be taken only from March 20th until April 27, 1979.
2. Leave your name, major and I.D. number with the ring clerk, Heaton Building, prior to March 20th if possible, or at least one week in advance of ordering. This may not be done by phone.
3. Bring mid-semester grade reports along when ready to order to verify passing hours for the spring semester only.
4. Anyone having failed to leave their name in advance and fail to bring their mid-semester grade report along when ready to order will be asked to return later to allow time for records to be checked.
5. All rings must be paid for in full when the order is placed. Senior ring loans are available through Student Financial Aid in the YMCA building.
6. Students who do not place their order during this period may order after final grades are posted. There will be only a 1-2 week difference in delivery time for those students ordering after final grades are posted during May. (Whenever 92 hours have been completed and are on record, there is never a dead-line, except a monthly mailing date on which we send orders to the factory.)
7. The ring clerk is on duty from 8 a.m. to 5 p.m. each day, Monday through Friday. However in order for other duties to be carried out, no orders will be taken between 11:30 a.m. - 1:00 p.m. or between 4:00 - 5:00 p.m.
8. All rings ordered, regardless of whether on March 20th or April 27th, will be delivered on the same day which will be approximately July 18, 1979.

NOTICE
BIOMEDICAL SCIENCE MAJORS
Preregistration for the Fall Semester 1979 will be conducted during the week of April 16-20, 1979. Fall semester Schedule of Classes will be available on or about April 10, 1979.
All Biomedical Science majors are required to schedule a conference with their Academic Advisor and obtain an approved Course Request Form for use at preregistration. To avoid excessive waiting periods, you are encouraged to make an appointment with your advisor and obtain your approved Course Request Form prior to the week of preregistration. When you have obtained the approved form, deliver it to the Biomedical Science office, Room 332, Veterinary Medical Administration Building. During the week of preregistration (April 16-20) you should return to the Biomedical Science office to pick up your registration packet and complete your preregistration. 127f8
