**Attention Students:**

MSC Town Hall is in the process of conducting a random survey of 2,000 Texas A&M University students.

The results of the survey will be presented to the Town Hall selection committee, which consists of three faculty members and fifteen students, that represent a cross section of campus (twelve students are non Town Hall members). The feedback from the survey and the selection committee will help Town Hall **determine student entertainment preferences** for the 1979-80 Town Hall season. If you receive one of these survey forms in the mail please fill it out completely and mail it back promptly, so that we can begin our booking process for next year as soon as possible. Thank you for your cooperation.

Any student who does not receive a survey and is interested in filling one out may do so in Room 216 of the MSC.
