it's somebody's dinner!
Safeway has long had a reputation for fine meats. We top this with our famous trim policy. The excess fat is trimmed just right to keep that luscious, juicy rib-eye, T-Bone or sirloin . . . luscious and juicy all the way to your table. And it helps the price, too, because you don't pay for something you can't eat.
At Safeway, it isn't just meat . . . it's somebody's dinner.
