Breves Declaraciones Explicativas De Las ENMIENDAS CONSTITUCIONALES PROPUESTAS ELECCION ESPECIAL 6 DE NOVIEMBRE DE 1979

**PROPOSICION NO. 1 EN LA BOLETA (H.J.R. 108)**

La Resolución Conjunta #108 de la Cámara de Representantes propone una enmienda en la constitución de Texas referente al nombramiento y a los plazos de los notarios públicos.

La enmienda propuesta: —Requerirá que el Secretario de Estado nombre a un número conveniente de notarios públicos para el estado; y —autorizará para que los plazos oficiales para notarios públicos sean por no menos de dos años y por no más de cuatro años.

La provisión temporal de la enmienda constitucional propuesta declara que la enmienda entrará en vigor el 1° de enero de 1980; que cada persona que haya sido nombrada como notario público antes del 1° de enero de 1980 continuará ejerciendo como notario público hasta vencerse el plazo por el que fue nombrado; y que esta provisión temporal se vencerá el 1° de enero de 1982.

La enmienda propuesta aparecerá en la boleta como sigue: "La enmienda constitucional para el nombramiento de notarios públicos para el estado para un plazo de no menos de dos años ni de más de cuatro años, según lo provisto por la ley."

**PROPOSICION NO. 2 EN LA BOLETA (H.J.R. 133)**

La Resolución Conjunta #133 de la Cámara de Representantes propone una enmienda en la constitución de Texas para proveer una revisión del proceso reglamentario en las agencias del departamento ejecutivo. Esta enmienda propuesta permitirá a la Legislatura el decretar leyes:

—Para proveer una revisión legislativa del proceso reglamentario en las agencias del departamento ejecutivo;

—Para prescribir condiciones para que las leyes sean puestas en vigor;

—Para suspender, revocar o expirar las reglas;

—Para prescribir procedimientos; y —Para delegar autoridad a cualquiera o a ambas cámaras, o a los comités de cualquiera o de ambas cámaras.

La enmienda propuesta aparecerá en la boleta como sigue:

"La enmienda constitucional para proveer una revisión legislativa del

proceso reglamentario en las agencias del departamento ejecutivo."

**PROPOSICION NO. 3 EN LA BOLETA (S.J.R. 13)**

La Resolución Conjunta Senatorial #13 propone una enmienda en la constitución de Texas para autorizar a la Legislatura para que provea una garantía de préstamos, a las personas calificadas, para la compra de bienes raíces agrícolas y ganaderas. De esta manera, la enmienda propuesta podría permitir a la Legislatura el proveer, emitir y vender bonos de obligación general llamados "Farm and Ranch Loan Security Bonds" (Bonos de Seguridad Para Préstamos Agrícolas y Ganaderos) del Estado de Texas, sin exceder la cantidad de \$10 millones de dólares. Todo dinero recibido de la venta de estos bonos sería depositado en un fondo diferente en la Tesorería Estatal y sería administrado por el comisionado de agricultura, sin más apropiaciones. Estos fondos garantizarían préstamos para la compra de bienes raíces agrícolas y ganaderas. El comisionado de agricultura usaría estos fondos bajo las provisiones prescritas por la Legislatura, con el propósito de garantizar préstamos para la compra de bienes raíces agrícolas y ganaderas; para adquirir hipotecas de bienes raíces o escrituras de bienes raíces compradas con préstamos garantizados. Estos fondos serían usados también para adelantar un porcentaje del principal y del interés debido en esos préstamos, a la persona que califique para el préstamo. La Legislatura también podría autorizar al comisionado de agricultura para que venda cualquier terreno adquirido mediante esta enmienda. El comisionado de agricultura requeriría al menos un 6 por ciento de interés en dichos préstamos. La enmienda propuesta apropiaría la cantidad suficiente para pagar el principal y el interés de los bonos que vayan adquiriendo más valor, o que se vayan durante el año fiscal, menos la cantidad del fondo de interés y amortización al final del año anterior.

La enmienda propuesta aparecerá en la boleta como sigue: "La enmienda constitucional para autorizar a la Legislatura para que provea una garantía para la compra de bienes raíces agrícolas y ganaderas."

The Texas Aggie men's golf team is starting the young season in fine fashion, leading the Southwest Conference Fall Golf Championship being played in Texarkana by two strokes.

The tournament is not the usual format. The teams are playing two-ball and four-ball competition involving 54 golfers and six-man teams from each SWC school. The players played 36 holes Monday and will finish the competition with 18 holes today. Each school entered three teams in the two-ball competition and one team in the four-ball competition. Scores are determined by the best ball on each hole.

The eight previous fall championships have been won by the University of Houston five times and Texas three.

The Aggies are leading the tournament with a four-ball total of 119 which is 25 under par. TCU follows with 121; Houston and SMU 125; and Texas 128.

Aggies Dave Ogrin and Steve Bowman lead the two-ball best-ball competition with a score of 127 which is 17 under par.

The four other members of the leading Aggie team are Richard Cromwell, Brad Jones, Kel Devlin and Danny Briggs.

HOUSTON — The Houston Oilers flew Billy Johnson to Columbus, Ga., Monday to undergo tests to determine whether surgery will be necessary to repair his injured right knee.

Dr. Jack Hughston of Columbus, who operated on Johnson's left knee last season, was to report back to the Oilers Tuesday on Johnson's condition. The former NFL leading punt returner was hurt in Sunday's game at Pittsburgh.

Immediately after the game a team spokesman said "it was too much to expect" that Johnson would play again this season. The initial diagnosis was a torn ligament.

Head coach Bum Phillips said, "it's not a bright outlook."

"It's too bad for Billy's sake because he was going to have a great year. We hate to lose him, but our feelings are not nearly as strong as

Billy's. He hated to lose this season. He had worked so hard."

Johnson overcame surgery on his left knee after missing most of last season. He led Oilers receivers after two games this season with six catches for 108 yards, and he returned four punts for 17 yards despite Phillips desire not to use the 5-9, 170-pound Johnson to run back kicks.

The injury came on a punt return with the Oilers trailing the Steelers 24-0 in the fourth quarter Sunday. An Oilers player fell across Johnson's right knee.

NEW ORLEANS — Ann Meyers may be the first woman to sign a national Basketball Association contract, but owners of the New Orleans women's professional basketball team say they believe one of their players is better.

Steve Brown, part owner of the New Orleans Pride, Monday extended a \$5,000 offer to the Indiana Pacers to pit Meyers against a Pride player in a head-to-head contest.

The Pacers have not responded to the challenge. "We do wish Ann the best of luck

and success in her attempt to play in the NBA," Brown said. "However, we intend to erase the idea that she is the No. 1 female basketball player in the land."

"The Pride challenges the Indiana Pacers to match a \$5,000 sum that the Pride will put up for a one-on-one match between Ann and a player from our team."

Brown said the contest could be held in the Louisiana Superdome in November.

Meyers became the first woman ever to participate in an NBA rookie camp when she practiced with eight

Pacer rookies and free agency Monday. Team officials insisted signing was not a publicity stunt. "Ann did a heck of a job," Pacer Coach Bobby Leonard said. "She was under a lot of pressure but handled it very well. She did fine."

Former A&M kicker, Franklin kicked a field goal for an extra point but it was not good. The Philadelphia Eagles lost to the Atlanta Falcons, 14-10 Monday night. Franklin has been a good rookie season with the

A&M senior tailback Curtis Dickey hits a hole being made by the Aggie offensive line and fullback David Brothers on his way to 148 yards rushing against Brigham Young Saturday. Dickey's big game made him the No. 1 all-time leading rusher for Texas A&M. Dickey started the season as the second

leading all-time rusher with 2,850 yards and 14 yards behind leading rusher, George Woodard. And if Dickey can average 144.8 yards-per-game throughout the season, he will pass Texas' Earl Campbell as the SWC all-time leading rusher. Battalion photo by Pat O'Malley
