Campbell, Oilers crush Kansas City

United Press International
HOUSTON — Quarterback Gifford Nielsen passed for 173 yards and one touchdown in his first start Sunday and Earl Campbell added one touchdown run and 132 yards rushing to carry the Houston Oilers to a 20-6 victory over the Kansas City Chiefs.

Houston's defense held Kansas City scoreless after J.T. Smith's 55-yard punt return for a touchdown early in the third quarter, intercept-

ing four passes in the first start of Chief's rookie quarterback Steve Fuller.

Oiler's safety Mike Reinfeldt and cornerback J.C. Wilson each picked off two passes. All of Fuller's interceptions were costly as the Oilers ended three deep Chief's drives with three of them and turned another one into a 28-yard Toni Fritsch field goal with 10 seconds remaining in the first half.

Fullback Tim Wilson took a screen pass from Nielsen earlier in the half and scored to increase Houston's lead to eight points.

Fritsch booted a 23-yard field goal late in the game to provide Houston's only scoring in the second half.

Gregg Bingham's recovery of a Tony Reed fumble at the Chief's 44-yard line late in the first quarter allowed Houston to score first. Nielsen, who replaced the injured Dan Pastorini, quickly hit Mike Barber with a 37-yard pass to the Chief's 4-yard line and then handed to Campbell for a 4-yard scoring run.

The Chiefs failed to tie the score moments later after Smith's punt return as Jan Stenerud's point after kick was blocked by Vernon Perry.

Later, with the Chiefs trailing 14-6, Stenerud booted a 27-yard field goal attempt wide to the right.

Campbell, the NFL's leading rusher in 1978, gained 106 of his yards in the first half. Campbell's 132 yards were gained on 30 carries.

Fuller replaced veteran quarterback Mike Livingston in the second quarter of the Chief's 27-24 loss to Cleveland a week ago, but in that game he rallied his team for four second half scores. He completed 11 of 27 passes for 138 yards Sunday.

Ags can't 'bear' loss

By SEAN PETTY
United Press International

The Texas Aggies may not have lost their poise in their 17-7 loss to the Baylor Bears but they did lose their grip.

It's the kind of grip the Aggie offense has lost in losing two games in a row. The Aggies managed to fumble their way to another loss which marks the first time since 1969 that an A&M team has lost its first two games.

On the other hand, it was the first time since 1965 that Baylor had won its first two games.

So much for trivia. What matters is that the Aggies are now 0-1 in the Southwest Conference and they're just out of the blocks in the long conference race.

It was also a game where the A&M defense played well enough to win once again. After giving up 17 points in the second quarter, the Aggies shut the Bears down and physically beat them the second half.

But 17 points and the first half were all the Bears needed to defeat the Ags.

Last year's nemesis, Baylor halfback Walter Abercrombie, ran right up the Aggies' belly for 88 yards and a touchdown in the first half. In the Bears first scoring drive, Abercrombie carried the ball six of the nine plays it took Baylor to move the ball 73 yards for the score. And the scoring drive was all on the ground.

The Bears went on to score their next two possessions with quarterback Mickey Elam plunging over for a touchdown and kicker Robert Bledsoe adding a field goal with four seconds left in the half.

It was a Baylor first half. "They physically beat us the first half," said Aggie head coach Tom

Wilson. "It seems like we are going to make something happen and then we just self destruct. These two games we've just made big mistakes and self destructed. I can't explain it."

Aggie defensive end Jacob Green, who had an outstanding night for the Aggies with 22 tackles (11 unassisted), explained why Abercrombie ran at will up the Aggie middle the entire first half.

"All he (Abercrombie) was doing was starting one way and then coming back the other way," Green said. "Our linebackers would react to his first step and be off balance when he cut back. They just committed too early."

"We just adjusted in the second half and held 'em."

The Aggies scored in the third quarter after an impressive drive. Runs by quarterback Mike Mosley and Curtis Dickey highlighted the drive with David Brothers going in for the score.

The Ags ended the evening with four fumbles, losing three of them. But that was about the only category the Ags led. The Bears had 351 yards rushing to A&M's 259. 315 of those yards were on the ground.

A&M punter David Appleby was one of the busiest men on the Aggie team as he punted nine times for a 39.2-yard average. Baylor's Ron Stowe was almost as busy punting eight times for a 44.6-yard average.

The Aggie defense made some big plays in the second half but the offense never did take advantage of them. Leandrew Brown's interception at the Baylor 35-yard line was nullified by a Brothers' fumble three plays later.

Then with 8:15 left in the game, Brown was in the right place again

recovering an Elam fumble at the A&M 49-yard line. But the offense stalled and the Aggies never got the ball back.

"I could talk all night about the injuries we have," Wilson said, "but injuries didn't beat us tonight. We were just whipped in the first half."

Although Abercrombie rushed for 137 yards for Baylor, linebacker Cal Peveo was unimpressed.

"He ain't s---," Peveo said. "We just made some mistakes in the first half but adjusted and held them in the second. It's frustrating to lose this way but we lose as a team not just the offense or defense."

"We're too good a team to be making these mistakes," receiver David Scott said. "No coaches are working harder than our coaches but you can't go out there and hold on to the ball for us."

Major Technologies

Seismic Data Collection, Processing and Interpretation. This organization is the world leader in the search for oil. Seismic services (both land and marine) include three-dimensional (3D) geophysical data gathering and processing, an important new approach in delineating petroleum-bearing formations, pioneered by TI.

Ecological-Environmental Services. This operation conducts studies designed to evaluate and improve our environment. Programs range from infrared "mapping" of heat loss from homes on a state-wide basis to studies of the ecological impact of power generation on the Hudson River.

Interviewing on Campus September 24-25

McDONALD'S INTRAMURAL HIGHLIGHTS

At University Drive

At Manor East Mall

Caught In The Action

A true "behind the scenes" person in Intramurals is the one who does all the "goforing" and leg-work; the person who signs teams up, works out schedules, runs into the IM Office between classes, makes sure the team knows the who, what, when, and where and does a million other tiny details that need to be taken care of. Sound like a big job? Now multiply those duties by as many IM events as there are and by as many persons as there are in a dorm. Who is the sporting chap who

handles all this? No, it's not Tom Wilson, or a P.E. coach. It's an Intramural Dorm Team Manager.

Deanie Meadows, a senior health education major from Poteet, Texas, fills this position for Keathley Hall. She's good at it, too. This is Deanie's second year as IM Chairman for Keathley and last year she was named Outstanding Dorm Team Manager. Deanie plays a lot of Intramurals and is active in recruiting women's involvement. Last year under Deanie's guidance, Keathley won

the Women's Playday, and placed third in Women's Dorm All-University competition. Keathley also had tennis, soccer, horseshoe doubles, and racquetball singles and doubles champions.

Keathley has about 50% freshmen this year and Deanie is gearing up to create enthusiasm for Intramurals. She has a good start with over 60 girls signed up for flag football.

Deanie has other interests besides Intramurals, of course. She grows a lot of plants in her dorm room, is a cat lover and claims Lakeview as her favorite leisure time place.

Handball singles entries will close Tuesday, Sept. 25. Pictured here are Phil Tibbs and Jefferson Johnson who competed last years handball tournaments.

On Your Mark

To get set for jogging, drop by the IM Office and pick up a jogging map. These maps show carefully laid out and measured trails around campus. They range from 1-mile in distance to marathon length. Let us help you make jogging more fun and precise. We're here to help, you know.

snip & clip

Closing Entries:

Home Run Hitting	Tuesday, Sept. 18
Golf Singles	Tuesday, Sept. 18
Water Polo	Tuesday, Sept. 18

Opening Entries:

Team Bowling	Monday, Sept. 17
Handball Singles	Monday, Sept. 17
Weightlifting	Monday, Sept. 17

Meetings:

Water Polo Team Captains — Thursday, Sept. 20, 5:30 p.m.
Room 267, C. Rollie White Coliseum

Special Events:

Field Goal Kicking, Monday, Sept. 17, 7:00 p.m. Kyle Field

Recreation Facility Hours:

C. Rollie White - Mon.-Fri. 5:00 p.m. to 12:00 midnight
Sat. & Sun. 10:00 a.m. to 10:00 p.m.
DeWare Fieldhouse - Mon.-Fri. 4:00 p.m. to 12:00 midnight
Sat. & Sun. 10:00 a.m. to 10:00 p.m.
Racquetball/Handball Courts - Mon.-Fri. 5:00 p.m. to 12:00
Sat. & Sun. 1:00 p.m. to 10:00 p.m.
Tennis Courts - Mon.-Fri. 5:00 p.m. to 11:00 p.m.
Sat. & Sun. 1:00 to 10:00 p.m.

A current TAMU ID is required. Sports equipment is available to rent (25c for racquets) or check out with ID Court reservations may be made in person at the DeWare check-out room or by calling 845-2624.

Yep, all these people want racquetball courts and other equipment from the ID checker in DeWare. This is just a small sample of the 350 to 400 Aggies who utilize DeWare Fieldhouse nightly.

Sports Shorts

It's team bowling time! Sign up starting today for fun and excitement. Teams consist of 4 persons and the tournament is held at the MSC lanes. Last year's winners were Dillingaf for men's; Bob's BH's, women's; and La Fosse & Boss, Co-Rec. See ya in the alleys.

get out the old glove and get ready for a whackeroo of a good time. It's a courtful of laughs.

Why, bless your barbells, it's the season to be lifting... weightlifting that is. This event will be bench pressing only. And yes, ladies, you too can enter this IM event in search of an IM T-shirt. Entries open today, so hustle on down to sign up. This is a new event, so all champs will make the record book. Don't delay... come in today.

What uses a glove, a court, and a ball? Handball, of course and today opens entries for handball singles. Courts for practice can also be reserved through the IM Office. Let's
